ENROLLMENT | OVERVIEW

WITH GREAT BENEFITS COME GREAT CHOICES

YOU (SONY PICTURES EMPLOYEE)

You're eligible for the benefits described in this guide if you're:

- A regular full-time, non-union employee working in the United States, and
- Regularly scheduled to work at least 20 hours per week over a five-day workweek.

Proof of dependent eligibility

Sony Pictures Benefits Center will request copies of appropriate documentation to verify your dependent's eligibility. You must also provide each dependent's Social Security Number, which is required by the Affordable Care Act so Sony Pictures can properly report your coverage.

YOUR CHILD(REN)

Your child(ren) are eligible if they're:

- Your biological children, stepchildren,¹ legally adopted children, children for whom you are a legal guardian, or children of your legally married spouse or your domestic partner;¹ and
- Up to age 26 and meet the program's definition of an eligible dependent, regardless of full-time student status, through the end of the month in which they turn 26; or
- Any age and became physically or mentally disabled by age 26 and depend on you for financial support (validation of disability required).

YOUR SPOUSE/ DOMESTIC PARTNER

Your spouse is eligible if you're:

- Legally married.

Your domestic partner is eligible if you:

- Are registered domestic partners or entered into a lawful civil union in the state where you live; or
- Meet and attest to all the requirements and complete an affidavit of spousal equivalency, found on benefits.sonypictures.com.

Note: The IRS requires you to pay federal income tax on your domestic partner's coverage.²

¹ You may enroll your domestic partner's children only if your domestic partner is enrolled and the child lives with you. Your stepchild or your domestic partner's eligible child must either live with you or be considered your tax dependent to be eligible.

² In accordance with current IRS regulations, the employee and employer cost of coverage for a domestic partner is treated as taxable income unless your domestic partner qualifies as your legal dependent for federal income tax purposes. If you elect medical, dental, and/or vision coverage for such dependent, the cost of that coverage will be reported as imputed income and reflected on your biweekly pay stub and year-end W-2 Wage and Tax Statement. Certain states may treat these benefits as nontaxable for state and local tax purposes. Please consult with your tax advisor to see how this may affect you. See your medical plan SPD on benefits.sonypictures.com/resources for details about domestic partner coverage.

3 The Sony Consumer Choice Plan covers certain preventive maintenance medications at 100% before annual deductible.

OUT-OF-NETWORK

Staying in-network means lower costs and no surprises. Before making an appointment, confirm your provider is in-network by visiting aetna.com/dsepublic/#/sony or contacting the **Aetna Concierge** at **(888) 385-1053**.

	SONY CONSUMER CHOICE (PPO)	SONY PPO	SONY EPO	KAISER HMO (CALIFORNIA ONLY)
Annual deductible ¹ Individual Family	\$3,500 \$7,000	\$1,600 \$3,200	No coverage	No coverage
Your coinsurance after annual deductible	40%	40%	No coverage	No coverage
Annual out-of-pocket maximum Individual Family (includes annual deductibles, copays, and prescriptions)	\$8,000 \$16,000	\$8,400 \$16,400	No coverage	No coverage
Preventive care	20% coinsurance	20% coinsurance	No coverage	No coverage

¹ All services, including prescriptions, are subject to the annual deductible except for certain preventive care services defined under the plan as being covered at 100%.
Note: You may pay a copay for some medications on the preventive list.

Usual and customary

Out-of-network providers aren't generally required to accept Aetna's negotiated rates and can charge any amount they choose. Your plan pays based on Aetna's payment policies. Charges above that amount are your responsibility and don't count toward your annual deductible or out-of-pocket maximum.

Annual in-network and out-of-network deductibles count toward each other. For example, meeting the \$800 annual in-network deductible on the Sony PPO satisfies half of the \$1,600 annual out-of-network deductible.

For full details, see the Summary Plan Description (SPD) or Summary of Benefits and Coverage (SBC) on benefits.sonypictures.com/resources.

PLAN COST ESTIMATES

Here's the monthly cost for coverage based on the benefits you choose, your coverage level, and your base salary (determined when you're hired and updated each September 1).

Sony Pictures shares the cost of most of your benefits to help make your coverage more affordable. Your share is deducted from your paycheck on a pre-tax basis (weekly or biweekly, depending on your pay schedule).

Here are a few things to know:

- **Preventive drugs:** The Sony Consumer Choice Plan covers certain preventive maintenance medications at 100% before annual deductible.

COMPUTER VISION COVERAGE
(EMPLOYEE ONLY)

As an employee, you're covered for one in-network comprehensive vision exam each calendar year at no cost to you. If your exam results in a prescription, you can also receive new frames once per calendar year for a \$10 copay, with prescription lenses covered as part of the same benefit. You may choose to add an anti-reflective (AR) coating to your lenses; some, but not all, AR coatings include blue light filtering as an optional feature.

If you choose to use an out-of-network provider, limited benefits are available through VSP.

HEARING AIDS

Through your VSP vision plan, you have access to hearing aid discounts for you and your extended family through TruHearing — saving you up to 60%. EXTRA SAVINGS

Your VSP coverage offers extra ways to save:

Glasses and sunglasses

- Or 20% savings from any VSP provider within 12 months of your last WellVision exam

Laser vision correction (LASIK)

- Average 15% off the regular price
- Or 5% off the promotional price; discounts only available from contracted facilities

Find an in-network provider

Find a list of certified network optometrists and ophthalmologists at [vsp.com](https://www.vsp.com). If you use an out-of-network provider, your plan may or may not cover the full cost of your exam, and your glasses or contact lens allowance will vary by selection.

HEALTH | TAX SAVINGS ACCOUNTS

UNCOVER YOUR TAX SAVINGS

Sony Pictures offers accounts that let you save money, tax-free, for health and child care expenses. Here’s how these accounts work.

HEALTH SAVINGS ACCOUNT (HSA)

The HSA allows you to set aside money to pay for eligible health care expenses now for yourself and your dependents. If you prefer, you can invest the money and use it for future health care expenses. You must be enrolled in the Sony Consumer Choice Plan and actively elect an HSA each year to receive a contribution from Sony Pictures.

HEALTH CARE FLEXIBLE SPENDING ACCOUNT (FSA)

The Health Care FSA is designed to help you budget money to pay for certain eligible health care expenses during the year. The money you set aside in an FSA isn’t subject to payroll taxes, which could help you save money.

LIMITED PURPOSE FLEXIBLE SPENDING ACCOUNT (FSA)

A Limited Purpose Health Care FSA complements your HSA. Unlike a regular FSA, it only covers dental and vision expenses until you meet your Sony Consumer Choice Plan annual deductible. After that, it can be used for medical expenses too.

DEPENDENT CARE FLEXIBLE SPENDING ACCOUNT (FSA)

The Dependent Care FSA is designed to help you budget money to pay for certain eligible dependent care expenses during the year necessary to enable you or your spouse to work.

Setting up your HSA

Once you elect an HSA with the Sony Consumer Choice Plan during enrollment, Inspira Financial automatically opens your account and will reach out if more verification is needed. Sony Pictures won’t contribute until your account is open and active, so make sure your legal name matches your Social Security card and Sony Pictures file to avoid delays. Only expenses incurred on or after your account’s open date are eligible, so an earlier expense, like a doctor visit before your account opens, won’t qualify.

Accessing your account(s)

Once your FSA or HSA is active, sign in through Aetna Navigator, aetna.com, or inspirafinancial.com to set up payment specifications, submit claims, and view debit card transactions.

PROTECTION | LIFE INSURANCE & AD&D

PROTECTION WHEN IT MATTERS MOST

Life insurance provides your beneficiary with a benefit in the event of your death. Accidental Death and Dismemberment (AD&D) insurance provides an additional benefit if you suffer a serious injury in an accident, or in the event of your accidental death. Sony Pictures provides eligible employees with basic life and AD&D insurance through **Securian Financial**.¹ You have the option to purchase more coverage.

	BASIC LIFE INSURANCE ¹	SUPPLEMENTAL LIFE INSURANCE ^{1, 3}	BASIC AD&D	SUPPLEMENTAL AD&D ⁴
Employee	1x base salary (maximum \$1 million ²)	1x–9x annual base salary (maximum \$1.5 million ²)	1x base salary (maximum \$1 million ²)	1x–9x annual base salary (maximum \$1.5 million ²)
Spouse/ domestic partner	No coverage	\$10,000, \$25,000, \$50,000, \$100,000, \$250,000, \$350,000, or \$500,000	No coverage	Spouse/domestic partner (with children): 40% (maximum \$750,000) Spouse/domestic partner (no children): 50% (maximum \$750,000)

1 Executive life insurance provided by MetLife; different limits and rates may apply.

2 At age 65, basic and supplemental life insurance (provided by Securian) and AD&D decreases to 65% of the amount in effect before age 65.

3 If your spouse/domestic partner/child is eligible for coverage as an employee, they can't be covered as a dependent. A child may be covered by both parents if both are Sony Pictures employees. Children are eligible from live birth to age 26.

4 Supplemental spouse/partner and child AD&D coverage is a percentage of the employee's supplemental AD&D amount.

Choose a beneficiary

Naming your beneficiaries for life and AD&D insurance is required at enrollment. Life changes, so check in on your selections periodically and update them whenever you need to.

Use the decision support tool

Everyone's situation is unique. Use the life insurance decision support tool, Benefit Scout, on the **Sony Pictures Benefits Center** website to get an estimate of the amount of life insurance you should have and the associated costs. This tool isn't a replacement for advice from your financial or tax advisor.

PROTECTION | SHORT-TERM & LONG-TERM DISABILITY

PREPARE FOR THE JOURNEY AHEAD

Disability insurance provides you with a portion of your income if you’re unable to work due to a covered illness or injury. Short-Term Disability (STD) and Long-Term Disability (LTD) are designed to work together, with LTD beginning after STD ends. If elected, Supplemental LTD increases your total benefit from 60% to 70% of your monthly base pay.

PROTECTION | LONG-TERM CARE COVERAGE

KNOW YOUR FUTURE IS CARED FOR

Health insurance, disability coverage, and Medicare typically don’t cover Long-Term Care (LTC). LTC coverage through Trustmark — which also includes a life insurance benefit — helps protect your savings and gives you more choices for care at home, in an assisted living facility, in a nursing home, or at an adult day care center.

WHAT LTC COVERS

LTC benefits help pay for support with everyday activities, including bathing, dressing, eating, taking medication, and getting around. It can ease the caregiving burden on your loved ones and give you more control over the care you receive.

WHO’S ELIGIBLE

New hires under age 64

You qualify for guaranteed acceptance — no health questions required.

All other employees

Current employees, as well as new hires age 64 or older, can enroll in or increase coverage by answering a few health questions.

Spouses/domestic partners

You can enroll your spouse/domestic partner, but they’ll be required to answer health questions regardless of age.

IF YOU LEAVE SONY PICTURES

You can take your LTC coverage with you and benefits remain payable as long as premiums are paid by ACH, not payroll deduction.

Note: Several states are exploring legislation to implement a state-run LTC benefits program funded by a mandated payroll tax. These proposed programs could offer a reduced or waived tax rate to residents who have already enrolled in LTC coverage individually. Details and legislation haven’t been finalized.

COVERAGE AMOUNTS

TYPE	AMOUNTS
Guaranteed acceptance (no medical questions)	\$25,000, \$50,000, \$75,000, \$100,000, \$125,000, \$150,000
Medical questions (for more coverage)	\$200,000, \$250,000, \$300,000

HOW YOUR BENEFIT IS CALCULATED

Your monthly LTC benefit equals 4% of your Trustmark life insurance benefit, up to a \$100,000 maximum lifetime benefit.

Example: If you elect \$50,000 in Trustmark life insurance, your LTC benefit is \$2,000 per month, up to a \$100,000 maximum lifetime benefit.

PROTECTION | ACCIDENT & HOSPITAL INDEMNITY

EVEN SUPERHEROES NEED PROTECTION

Sony Pictures offers two voluntary insurance plans through Aetna — **Accident** and **Hospital Indemnity** — that pay cash benefits directly to you. Because you pay premiums with after-tax dollars, benefits are generally tax-free and can be used however you choose.

	ACCIDENT	HOSPITAL INDEMNITY
What does it help with?	Unexpected costs after a covered accident	Costs associated with a covered hospital stay
What are examples of covered costs?	Emergency room and urgent care visits, follow-up care, physical therapy, and hospital stays, but you can also use it for annual deductibles, copays, household bills, or other everyday expenses while you're recovering	Hospital admission, daily hospital benefits, rehabilitation, observation, mental health treatment, and other covered hospital services, but you can also use it for annual deductibles, copays, household bills, or other everyday expenses while you're recovering
How much does it pay for preventive care?	\$75 for eligible preventive care per covered individual	\$75 for eligible preventive care per covered individual

WHAT YOU PAY MONTHLY FOR COVERAGE

	ACCIDENT	HOSPITAL INDEMNITY
Employee only	\$10.58	\$14.51
Employee + spouse/ domestic partner	\$19.18	\$31.97
Employee + child(ren)	\$20.54	\$25.37
Employee + family	\$28.31	\$42.21

Note: These plans don't count as minimum essential coverage under the Affordable Care Act. They supplement health insurance but aren't a substitute for major medical coverage.

BACKUP CHILD & ADULT CARE
