# Make the internet a safe place for you and your loved ones.

Do you shop online, connect to WiFi, or own a smartphone or tablet? If so, you need Aura, a digital security solution to protect your identity, money & assets, family & reputation, and privacy. Aura provides you and your loved ones with a benefit that's **simple** so it's **easy** to stay **safe** online.

## The average consumer's digital activity

10 devices

90 online accounts

6+ hours / day online

## Meet Aura, the new standard in digital security.

Aura will let you know if your online accounts and passwords are at risk, and work with you to keep them safe. If changes to your credit or bank accounts are detected - or if there is suspicious spending activity on your accounts - you'll receive real-time alerts and have a dedicated Case Manager to work with you to resolve it. Aura also gives you the confidence to steam, shop, and bank online privately and securely with military-grade encryption and powerful antivirus protection. Plus, every member is backed by \$1M insurance\*\* to cover eligible losses and fees due to identity theft and fraud.
