WELCOME TO SONY PICTURES' OPEN ENROLLMENT FOR 2022

As we head into 2022, we continue to strive to ensure that our benefit plans and offerings comprehensively support you and your loved ones in all the areas about which you care deeply. We hope you'll take the time to reacquaint yourself with all your benefit options, review our plan enhancements and learn about an important new plan offering for 2022.

NEW OFFERING: SPRING HEALTH

We are excited to introduce a new suite of convenient and confidential mental health and emotional wellbeing resources through Spring Health. Just like exercising regularly or going to the doctor for an annual checkup, Spring Health gives you and your family the tools to improve your mental health and emotional wellbeing. Be sure to check out page 8 for details on how easy it is to get connected to the resources you need.

PLAN ENHANCEMENTS:

- **Increased HSA Company Contributions:** For employees that elect our Sony Consumer Choice Plan in 2022, we are increasing Sony Pictures' contribution toward your HSA to \$750 for individual coverage and \$1,500 for family coverage. At the same time, your IRS HSA contribution limits are increasing to \$3,650 for individual coverage and \$7,300 for family coverage. Your HSA is a great way to proactively manage your health care costs, while also saving for health care expenses today and into retirement.
- **More Time to Use Your 2021 FSA Contributions:** We understand that access to planned health and dependent care services in 2021 may have been limited as a result of COVID-19. For 2022 only, if you contributed to a Sony Flexible Spending Account in 2021 and still have a balance in your account(s) as of March 31, 2022, that remaining balance will be automatically rolled over to your 2022 FSA account balance(s). Any balances from 2021 that are eligible for this one-time rollover will not count toward your 2022 FSA contribution limits. (Please note: You must remain actively employed with Sony Pictures through March 31, 2022 to be eligible for the one-time FSA balance rollover.)
- **Enhanced Identity Theft Protection:** In 2022, we are happy to introduce our new identity theft protection partner, Aura. When you enroll in Aura, Sony Pictures will cover your cost for comprehensive state-of-the-art identity theft protection, including such enhanced services as antivirus and antimalware software for your personal devices, home title monitoring, robo-calls/texts prevention, and access to a secure VPN. You can also elect coverage to protect your family members at a discounted rate. (Please note: Aura will replace Allstate in 2022.)
- **Added Progyny Smart Cycles:** Employees and their spouses/domestic partners who enroll in the Sony Consumer Choice, PPO or EPO plans will now be eligible for up to four rounds of Smart Cycles fertility care through Progyny to help grow your family.
- **Special Oncology Care Program:** If you enroll in the Sony Consumer Choice, PPO or EPO plans, you and your enrolled dependents will now have free access to "Transform Oncology Care", an enhanced, personalized level of support for patients with a cancer diagnosis. Contact Aetna at **1-888-385-1053** to learn more.
- **Lower Copay for Retinal Imaging:** Retinal imaging is an advanced, non-invasive, technology that identifies diseases in the eye without dilation. Beginning in 2022 under the vision benefits with VSP, the copay for retinal imaging will be reduced from \$39 to \$10.
- **Additional Legal Consultation Hours:** When you elect the MetLife Legal Plan in 2022, you will now receive an additional four hours of consultation for previously excluded services with a legal professional.

EMPLOYEE CONTRIBUTIONS IN 2022:

In 2020, Sony Pictures decreased employee contributions for many of our plans and absorbed the resulting additional plan costs for our employees. In 2021, we committed to making no changes to plan contributions in light of the uncertainty related to COVID-19. Since 2020, however, our plan costs have risen significantly, particularly with respect to our medical plans. Therefore, in 2022 we have decided to increase employee contributions to our medical plans by 3%, and keep our dental and vision plan contributions flat for another year.

At Sony Pictures we deeply value everything you do, every day, to make us successful. In return, we strive to design benefit plans and programs that support you, and your loved ones where it matters most.

Please continue to "Take Care" in 2022,

Stacy Green
Executive Vice President, Chief People Officer

ATYPICAL

EVERY FAMILY IS UNIQUE

Learn about who you can enroll in Sony Pictures benefits.

LIGHTS! CAMERA! ACTION!

During your enrollment period, you can enroll in or make changes to your current benefits, and enroll in a Flexible Spending Account (FSA) or Health Savings Account (HSA). If you don't take action, your current benefits will carry over to 2022 (except FSA and HSA contribution amounts as well as identity theft protection). If you want an FSA, HSA or identity theft protection, you must actively enroll.

ENROLLMENT

NEW EMPLOYEES — Your Sony Pictures benefits coverage is effective on your first day of employment; however, you have 31 days from your date of hire to enroll in benefits. No matter when you enroll within that 31-day window, your benefits will be effective retroactively to your date of hire.

You have 31 days to enroll in health benefits. If you do nothing, Sony Pictures automatically enrolls you — but none of your dependents — in the Sony Consumer Choice medical plan, vision coverage, prescription drug coverage, Basic Life and Accidental Death and Dismemberment (AD&D), and Basic Long-Term Disability. You won't receive dental coverage.

You're locked into your benefit choices until the next open enrollment unless you experience a qualifying change in status or life event.

YOU HAVE 45 DAYS TO ENROLL IN THE 401(K)

You have 45 days from your date of hire to change to or waive the Sony USA 401(k) Plan. You'll get a packet of information from T. Rowe Price, Sony's 401(k) administrator, with details about the plan.

If you don't act within 45 days, you'll be defaulted into the plan with a 6% contribution rate. Contributions will automatically increase 1% annually on the enrollment anniversary date until you reach a contribution rate of 10%.

Find out more at www.rps.troweprice.com, or call 1-877-766-9728.

CURRENT EMPLOYEES — If you don't enroll during open enrollment, your current benefits will carry over to 2022, except for FSA and HSA contribution amounts and identity theft protection benefits. If you want to contribute to an FSA, HSA or identity theft protection in 2022, you must enroll during open enrollment.

FAMILY STATUS CHANGE — MAKING BENEFIT CHANGES DURING THE YEAR

You may make changes during the year if you have a change in status or qualifying life event. These events may include:

- Marriage or the declaration of a domestic partnership
- Legal separation, divorce or termination of a domestic partnership
- Birth, adoption or getting legal custody of a child
- Death of a dependent or loss of legal custody
- A dependent's loss of eligibility
- Losing other coverage

If you experience one of these events, you must submit your benefits-change request to Sony Pictures Benefits Center within 31 days of the event date to make changes to your coverage. Any change in your benefits must be consistent with your status change.

ATYPICAL

WHO'S ELIGIBLE

Generally, you're eligible for the benefits described in this guide if you're:

- Classified by Sony Pictures as a regular full-time, non-union employee working in the United States; and
- Regularly scheduled to work at least 20 hours per week over a five-day work week.

ELIGIBLE DEPENDENTS

When enrolling dependents for coverage, you must provide each dependent's Social Security number. This is required by the Affordable Care Act so Sony Pictures can properly report your coverage.

Dependents are eligible if they're your:

- Legally married spouse or domestic partner,
- Children up to 26 years old who meet the program's definition of an eligible dependent, regardless of full-time student status, through the end of the month in which they turn 26, or
- Children of any age who became physically or mentally disabled by age 26 and who depend on you for financial support (validation of disability required).

Note: Eligible children are your biological children, stepchildren, legally adopted children, foster children or children of your legally married spouse or your domestic partner, provided that for stepchildren or children of a domestic partner you furnish more than half their support. You may enroll your domestic partner's children only if your domestic partner is enrolled.

CULVER CITY OFFICE

PROOF OF DEPENDENT ELIGIBILITY

You must provide proof of eligibility when enrolling a dependent for the first time. Sony Pictures Benefits Center will request copies of appropriate documentation to verify your dependent's eligibility.

DOMESTIC PARTNER

You and your domestic partner must meet these requirements to be eligible for coverage:

A

You're not legally married and are registered domestic partners, or entered into a lawful civil union in the state where you live; or

B

You must meet and attest to all these requirements and complete an affidavit of spousal equivalency (which can be found on <https://benefits.sonypictures.com/>):

- Your domestic partner and you are each other's sole domestic partner, and are emotionally committed to each other for mutual care and support, and intend to remain so indefinitely; and
- You've lived together in the same home for a full six months and intend to remain so indefinitely; and
- You're jointly responsible for each other's financial welfare and basic living expenses (you're financially interdependent); and
- You're both at least age 18 and mentally competent to consent to a contract under the laws of the state in which you live; and
- You're not related by blood closer than would bar marriage under applicable law in effect where you live; and
- You're not legally married to each other and aren't legally married to or separated from anyone else.

DID YOU KNOW?

TAX IMPLICATIONS OF COVERING DOMESTIC PARTNERS

If you enroll your domestic partner or their eligible dependents in Sony Pictures benefits, the IRS requires that you pay federal income tax on the fair-market value of their coverage. This cost is in addition to the employee contribution you must make for their coverage as determined by Sony Pictures.

See your medical plan SPD on www.Benefits.SonyPictures.com for details about domestic partner coverage.

THE CROWN

Take the "reigns" to choose which medical plan is best for you.

IMPORTANT DEFINITIONS

These terms will help you as you read through this guide.

Deductible	This is the amount you have to pay out-of-pocket before the plan starts to pay.
Coinsurance	Once you meet the deductible, this is the percentage the plan will pay. If the coinsurance is 80%, you'll pay 20% of the cost of care.
Copay	This is a flat amount you pay when you receive care. For example, if your plan has a copay for doctor visits, you pay just that amount and the plan pays the rest. In some medical plans, some kinds of care require copays and other kinds of care require coinsurance.
Annual out-of-pocket maximum	This is the most you'll pay in a plan year. Once you reach this, the plan will cover 100% of your qualified medical care for the rest of the plan year. You won't have to pay any more costs once you meet the out-of-pocket maximum, as long as you stay in-network. This includes the deductible, coinsurance, copays and prescription drug costs.
Employee premiums	The amount taken out of your paycheck to pay for health insurance.

Sony Pictures provides four medical plan options to meet the needs of you and your family:

<p>Aetna Sony Consumer Choice</p>	<p>Aetna Sony PPO</p>	<p>Aetna Sony EPO</p>	<p>Kaiser HMO (Southern California only)</p>
----------------------------------------------	------------------------------	------------------------------	---------------------------------------------------------

WHEN YOUR DOCTOR'S NOT IN OUR NETWORK

Health care providers are either in-network or out-of-network. It sounds like a small difference but going out-of-network could throw off your whole health care budget.

In-network doctors partner with Aetna to offer discounted rates to Aetna members like you. You get the discounted rate and your doctor submits your claim to Aetna. What you pay out of pocket for covered expenses counts toward your deductible and out-of-pocket maximum. And, when you stay in-network, you keep health care costs down for you and Sony Pictures, which helps keep everybody's rates down.

Out-of-network doctors don't offer these discounts so you spend more out of pocket — sometimes a lot more. Beginning in 2022, out-of-network doctors will be reimbursed by the plan at a lower rate, which may mean you pay more. Plus, out-of-network doctors don't file claims for you; you pay up front then file claims yourself.

To be a savvy health care consumer, here are some important reminders:

- Even if a doctor, clinic, lab or hospital "accepts" your insurance, it doesn't mean they're in the Aetna network.
- Don't assume that because your doctor is in-network, the hospital (or lab, imaging center, pharmacy, etc.) is, too.
- Check to see if your doctor is in-network using Aetna's provider search tool at www.aetna.com/dsepublic/#/sony.

DID YOU KNOW?

REASONABLE AND CUSTOMARY

If you go to an out-of-network provider, they can charge pretty much whatever they want because they haven't negotiated rates with Aetna.

The Sony Aetna plans will only pay what's "reasonable and customary" — the amount Aetna determines is the normal charge for specific health-related care and procedures within a geographic region. For 2022, reasonable and customary amounts are decreasing.

If what your out-of-network provider bills you is higher than Aetna's reasonable and customary rate, you'll be responsible for paying the difference between Aetna's approved rate and the provider's fee.

AETNA MINUTECLINIC: YOUR FREE & CONVENIENT HEALTH CARE OPTION

When you need quality care but can't see your regular doctor, visit your local MinuteClinic at select CVS pharmacies.

They have extended hours, even on nights and weekends. (Note that not all MinuteClinics are open 24/7 even if the CVS pharmacy stays open.) You never need an appointment, and they can treat adults and children 18 months and older. We're also excited to announce that covered MinuteClinic services are free under Sony Pictures' Aetna plans.¹

MinuteClinic nurse practitioners can:

- Diagnose and treat illnesses, injuries and skin conditions
- Provide vaccinations and physicals
- Screen for and monitor chronic conditions

Find your closest location at www.cvs.com/minuteclinic/clinic-locator. You can view wait times and hold your place in line at www.cvs.com/minuteclinic or on the CVS pharmacy app.

¹ If you're enrolled in the Sony Consumer Choice Plan, you must pay the full amount of the non-preventive appointment until you meet the plan's deductible.

SONY CONSUMER CHOICE PLAN WITH HEALTH SAVINGS ACCOUNT

THE SONY CONSUMER CHOICE PLAN IS A PREFERRED-PROVIDER PLAN (PPO) THAT INCLUDES A HEALTH SAVINGS ACCOUNT (HSA).

You may visit any doctor or specialist you choose, in- or out-of-network. Preventive care services received through in-network providers is covered 100% by the plan. You'll have lower monthly premiums than with any of the other plans offered, but you'll also have a higher annual deductible. Many of your prescription drugs are subject to your medical plan deductible so you'll pay 100% of the cost for medications until you reach your combined medical-prescription deductible; however, the plan does cover many preventive drugs at 100%.

The Sony Consumer Choice Plan works in conjunction with an HSA. Review the plan comparison chart on page 17 for more information.

HOW THE DEDUCTIBLE WORKS

The family deductible works different from the standard PPO plan. "Family coverage" is any coverage with more than only you (i.e., employee + children or spouse/partner).

You must meet the family deductible before the plan starts paying any benefits. Remember, until you meet the deductible, you pay 100% of the cost of most health care and prescription drugs.

Once you meet the family in-network deductible, the plan's coinsurance kicks in; you'll pay 20% for all covered in-network medical services and most prescription drugs until you reach the out-of-pocket maximum. Once you hit that, the plan will pay 100% of covered care for the rest of the plan year.

Prescription drugs will be paid at the rates shown on page 19.

EXAMPLE 1

Barbara has medical coverage for herself, her spouse and their two children.

They haven't met the \$2,800 in-network family deductible. As a result, the family will pay 100% of care and prescriptions until they meet the \$2,800 deductible.

Participant	Covered expenses
Barbara	\$1,350
Spouse	\$100
Child 1	\$250
Child 2	\$50
TOTAL	\$1,750

EXAMPLE 2

Barbara's family has met the \$2,800 deductible, so the plan pays 80% of covered care and prescription drugs for the family. This is called coinsurance.

The family also has reached the \$7,500 family in-network out-of-pocket maximum (annual deductible + coinsurance + prescriptions). As a result, the plan will pay 100% of covered in-network care and prescription drugs for the rest of the plan year.

Participant	Covered expenses
Barbara	\$1,500
Spouse	\$4,500
Child 1	\$1,000
Child 2	\$500
TOTAL	\$7,500

HSA

If you enroll in the Sony Consumer Choice Plan, you may enroll in an HSA, which is a tax-deferred account for paying qualified health care expenses. Unused funds roll over year to year. Unlike an FSA, there is no “use it or lose it” penalty.

The HSA is a lot like a regular bank account, but interest your HSA earns is tax-free. If you leave the company, you can take the HSA with you because the account belongs to you. The HSA is not a Sony Pictures-sponsored benefit; it’s an account you own.

Contributions

Sony Pictures contributes tax-free money to your account; you can contribute with deductions from your paycheck. Your contributions are taken out of your paycheck before federal taxes are calculated on your income, so you pay less income tax, too.

The 2022 maximum HSA contribution is \$3,650 for individual coverage, and \$7,300 for family coverage. This includes the Sony Pictures contribution. You can change your contributions during the year and make an after-tax contribution, too.

If you’re 55 or older, you can make an additional \$1,000 “catch-up” contribution each year — also free from federal taxes (state taxes may apply).

NEW! In 2022, Sony Pictures will contribute up to \$750 (employee only) and \$1,500 (family) to your HSA. Sony Pictures’ full HSA contribution for 2022 will be made in January so you’ll be able to use the funds early in the year. As a new employee, you’ll get the prorated HSA funding amount the first calendar quarter after you join the plan and set up your HSA.

2022 HSA Annual Contribution Limits

HSA Type	Sony Pictures’ Contribution	Amount You May Contribute	Total Allowed Contribution
Employee Only Coverage	\$750	\$2,900	\$3,650
Family Coverage	\$1,500	\$5,800	\$7,300

Qualifying for an HSA

When you enroll in the Sony Consumer Choice Plan, you will verify your eligibility for an HSA and select your annual contribution amount through bswift.

To be eligible, you:

- Must be covered under the Sony Consumer Choice Plan
- Have no other health coverage (except what the IRS allows)
- Aren’t enrolled in Medicare
- Aren’t claimed as a dependent on someone else’s tax return
- Or your spouse doesn’t have a general purpose Health Care FSA or Health Reimbursement Account (HRA); however, you can enroll in a Limited Purpose Health Care FSA (see page 29).

If you’re Medicare eligible or approaching Medicare eligibility, email SPE_Benefits@spe.sony.com.

SETTING UP YOUR HSA

You must set up your HSA before you incur qualified medical expenses you want to pay with HSA funds. The HSA “establishment date” is important because you can’t use the funds to pay medical expenses you incurred before that date.

For example, if you go to the doctor January 5, but don’t open your account until January 30, you can’t pay those January 5 expenses with HSA funds.

PayFlex will automatically open your account when you enroll in the Sony Consumer Choice Plan. They’ll notify you if they need more information for verification purposes.

Make sure your legal name matches your Social Security card and your Sony Pictures file. If it doesn’t, there may be a delay in establishing your HSA.

You can only use your HSA funds on health care for yourself and for your federal tax dependents.

Review the IRS rules on HSAs for more details: www.irs.gov (Publication 969).

SONY PPO PLAN

This plan allows you to visit any health care provider you want, but pays more when you use in-network providers. The PPO Plan’s network is the same as the Consumer Choice Plan.

The plan covers in-network preventive care at 100%. For in-network office visits, you pay a copayment. For other care, you pay 100% of all expenses until you meet the deductible before the plan starts paying. If you cover dependents on your plan, each person must meet the individual deductible until the family deductible is met. You may meet the family deductible by any combination of covered medical expenses you and your covered family members incur.

SONY EPO PLAN

The EPO is an in-network-only PPO with a modest deductible. You may visit any doctor in the Aetna Select EPO network without a referral. You don’t have to choose a primary care physician (PCP), but having a PCP results in a higher level of care continuity.

This plan covers in-network preventive care and certain preventive drugs at 100%. For in-network office visits, you pay a copayment. For other care, you pay 100% of all expenses until you reach the deductible.

Note: This network is slightly different from the Aetna network for the Sony Consumer Choice and PPO plans, so make sure you refer to the EPO network when checking to see if a provider is in the network.

HOW THE DEDUCTIBLE WORKS IN THE PPO/EPO PLAN (EXAMPLES ARE IN-NETWORK)

EXAMPLE 1

Robert and his family are in the Sony PPO Plan. He’s met the \$600 individual deductible, so his plan will begin paying 80% coinsurance for his care; however, the \$1,200 family deductible hasn’t been met, so his spouse and child will continue to pay Aetna’s full negotiated rate for services until the family deductible is met.

Participant	Covered expenses
Robert	\$600
Spouse	\$100
Child	\$200
Total	\$900

EXAMPLE 2

Robert’s family has met the deductible so the plan will pay 80% coinsurance for the whole family until they meet the out-of-pocket maximum. Once they meet that, the plan will pay 100% of covered services for the rest of the plan year.

Participant	Covered expenses
Robert	\$500
Spouse	\$200
Child	\$500
Total	\$1,200

KAISER HMO PLAN (AVAILABLE IN CALIFORNIA ONLY)

You must use health care providers and facilities in the Kaiser network only. You choose a primary care physician (PCP) who will refer you to specialists if necessary. Most services require a copay, and there is no deductible to meet.

For more information, review the “2022 Medical Plans at a Glance” table on page 17.

2 After deductible.

3 Family out-of-pocket maximum has an embedded per-member out-of-pocket maximum of \$6,850 for in-network services.

4 The cost for the Sony Consumer Choice Plan Teladoc behavioral health service is \$190 for the first consultation with a psychiatrist and \$95 for all subsequent consultations with a psychiatrist. Consultations with a master's level therapist are \$85 each. Dermatology consultations are \$75 each. Once you meet the deductible, Teladoc services are free.

5 Visit limit and deductible do not apply to habilitative treatment for autism and development delays, however exclusions may apply.

Note: If you meet the in-network deductible in an Aetna plan, it counts toward the out-of-network deductible, and vice versa. Example: If you're in the PPO and meet the \$600 in-network deductible, you've met half of the \$1,200 out-of-network deductible.

YOUR COST FOR 2022 MEDICAL COVERAGE

Below is a breakdown of your cost per month for each plan. How much you pay is based on the benefits you choose, your base salary when you're hired (and each September 1 after that), and who you cover under your plan.

Sony Pictures shares the cost of most of your benefits with you as part of our commitment to offering you the protection you need. Your payroll deductions are generally taken out of your pay on a pre-tax basis, which means you pay less income tax. Consult your tax advisor for details.

Five stars! Only 3% increase in medical rates for 2022.

THE PERFECT DOSE OF COVERAGE

PRESCRIPTION DRUGS

THE GOOD DOCTOR

Prescription drug coverage is included with all of your medical plan options, but it works differently depending on which medical plan you choose.

All Sony Pictures medical plans:

- Offer prescription drug coverage – The benefit depends on the plan you choose and type of drug prescribed
- Cover the full cost of certain contraceptives, tobacco-cessation medications and other preventive drugs as required by the Affordable Care Act (ACA)

KEEPING COSTS DOWN AND QUALITY UP

We're always working with Express Scripts to help keep prescription drug costs down while maintaining access to clinically proven medications. What this means to you is that the formulary — the list of drugs your medical plan will cover — can change; new drugs get added and others get taken off.

If you take regular medications, we encourage you to occasionally review the formulary to make sure the medications you need are still on the list. If your covered drug is removed, talk to your doctor about similar medications your plan does cover.

When the formulary changes and it affects a medication you take, Express Scripts will contact you before the change goes into effect so you have time to work with your doctor to find alternatives.

HELPFUL PRESCRIPTION TERMS

BRAND NAME: A drug marketed under a trademark-protected name, like Lipitor or Prozac.

COMPOUND MEDICATION: Medications that are combined, mixed or altered by a licensed pharmacist. The FDA doesn't verify the quality, safety or effectiveness of compound medications; they're not covered under Sony Pictures' plans.

GENERIC DRUG: This is equivalent to the brand name drug in dosage, safety, strength, quality, performance and intended use. By law, the amount of active ingredient in a generic drug must be identical to the brand name product.

NON-PREFERRED DRUGS: These are medications for which you'll pay more under the plan.

PREFERRED DRUGS: These are generic and brand name medications for which you'll pay less under the plan.

EXPRESS SCRIPTS

You'll receive a separate ID card from Express Scripts.

YOUR COST FOR PRESCRIPTIONS

If you buy a brand name drug (preferred or non-preferred) when a generic is available, you'll pay the coinsurance plus the difference in cost between the brand name and generic drugs, unless your prescription doesn't allow a generic substitution.

MAINTENANCE MEDICATIONS

If you take a maintenance medication to manage a chronic condition, you may fill it three times at a retail pharmacy. On the fourth refill, you must use the mail order service or pay the full cost of your prescription. You also can fill 90-day supplies of your maintenance medication at a CVS pharmacy if you prefer getting your prescriptions at a retail pharmacy.

SONY CONSUMER CHOICE PLAN AND PRESCRIPTIONS

For most prescriptions, you'll pay 100% of the cost of a prescription until you reach the plan's deductible; however, some medications that help you avoid or manage certain illnesses and conditions may be covered at 100%, including those used for prevention or treatment. Conditions that may be covered include:

- Asthma
- Cholesterol
- Diabetes
- High blood pressure
- Heart disease
- Side effects of cancer treatment

For a complete list of covered preventive prescriptions covered at 100%, go to <https://benefits.sonypictures.com/>.

HELP YOUR SMILE SHINE

HERE TODAY (NOW AVAILABLE ON DISC AND DIGITAL)

These options are sure to make you smile.

There are two dental plan options to choose from: the High Plan and Standard Plan.

The High and Standard plans use the Delta Dental PPO and Premier networks. You'll receive benefits for services with any dentist, but Delta Dental's PPO network provides you with the deepest discounts on your dental costs. If you can, it's best to find Delta Dental PPO dentists and specialists to minimize your out-of-pocket costs and maximize your benefits.

With the High Plan, you'll pay more out of each paycheck but less when you need care. The Standard Plan is a less generous plan, but your per-paycheck contributions are less. Only the High Plan covers orthodontia, so if you need that benefit, the High Plan is for you.

Like your medical plan, dental coverage also includes preventive care benefits at 100%. Take advantage of this and schedule regular checkups with your dentist.

For more information about the plans, or to view the provider directory, visit www.deltadentalins.com/sony, or call 1-800-471-7059.

SOLVE THE MYSTERY OF SAVINGS

THE KID DETECTIVE (NOW AVAILABLE ON DISC AND DIGITAL)

Follow these clues to save tax-free money for health and dependent care expenses.

USE IT OR LOSE IT

You have until December 31, 2022, to use your FSA funds. Make sure to plan your contributions carefully because you'll lose any unused funds.

Flexible Spending Accounts (FSAs) allow you to set aside money on a pre-tax basis to pay eligible health care and dependent day care expenses. You must choose a contribution amount during the enrollment period to participate in an FSA; the amount you contributed last year doesn't automatically carry over.

We offer three types of FSAs:¹

- Health Care FSA
- Limited Purpose FSA
- Dependent Care FSA

You determine how much to contribute to each account. Your contributions are deducted from your paycheck on a before-tax basis (subject to IRS). FSAs and the HSA are administered by PayFlex.

¹ At the time of printing this guide, the IRS had not announced the 2022 FSA limits. The amounts shown in this guide are the 2021 limits.

HEALTH CARE FSA (GENERAL PURPOSE)

ANNUAL CONTRIBUTION: UP TO \$2,750 EACH YEAR

You may use funds to pay medical and dental plan deductibles, copayments and coinsurance; prescription drugs; vision care expenses, including contacts; orthodontics; medical equipment; and more.

LIMITED PURPOSE HEALTH CARE FSA

ANNUAL CONTRIBUTION: UP TO \$2,750 EACH YEAR

The IRS doesn't allow individuals with HSAs to also have a general purpose Health Care FSA.

If you're enrolled in the Sony Consumer Choice Plan, Sony Pictures offers a Limited Purpose Health Care FSA. You can use it to pay only dental and vision expenses until you meet your medical plan's deductible. Once you do, you can use this FSA for qualified medical expenses, too.

For a complete list of qualified Health Care FSA expenses, see IRS Publication 502, www.irs.gov.

DEPENDENT CARE FSA

ANNUAL CONTRIBUTION: UP TO \$5,000² EACH YEAR

If you pay for dependent care, you may enroll in the Dependent Care FSA to pay qualified dependent day care and elder care expenses.

Qualified caregivers include:

- Licensed child care centers
- Nursery schools and preschools
- In-home care (au pair/nanny) and babysitting
- Elder/senior day care

Qualified dependents include:

- Your children age 12 and younger
- A spouse or dependent of any age who lives with you, relies on you and is physically or mentally unable to care for herself/himself, and is listed as a dependent on your federal income tax return

Consult your tax advisor on whether you should enroll in the Dependent Care FSA or take advantage of the federal dependent care tax credit.

For 2022 only, if you contributed to a Sony FSA in 2021 and still have a balance in your account(s) as of March 31, 2022, that remaining balance will be automatically¹ rolled over to your 2022 FSA account balance(s). Any balances from 2021 that are eligible for this one-time rollover will not count toward your 2022 FSA contribution limits.

¹ You must remain actively employed with Sony Pictures through March 31, 2022 to be eligible for the one-time FSA balance rollover.

² Highly compensated employees (those who earned more than \$142,800 in 2021) will be limited to \$2,800 annual contribution.

NOTE: The IRS did not announce the 2022 limits before this guide was printed.

HSA VS. FSA

ELIGIBLE EXPENSES FOR FSA AND HSA

Here are some of the eligible health care expenses the IRS allows you to pay from these tax-favored health care accounts:

- Expenses that count toward the deductible
- Dental care, including braces
- Hearing aids
- Contact lenses and LASIK surgery
- Prescription drugs
- Copays and coinsurance
- Wheelchairs

Check Aetna Navigator at www.aetna.com for more information. There’s even a tool to help you organize medical expenses and HSA withdrawals online.

See IRS Publication 502 for a complete list of qualified health care expenses you can pay with HSA and FSA funds, www.irs.gov.

PAYFLEX ADMINISTERS FSAs AND HSA

You can access your accounts on the PayFlex self-service website. You can set up payment specifications, file claim submissions and see your debit card transactions. You can sign into the website through Aetna Navigator, www.aetna.com, or at www.payflex.com.

You may use HSA and FSA funds to pay qualified medical expenses for yourself, your spouse and eligible dependents without tax penalty. If you use the funds for non-qualified expenses, penalties may apply.

More information about how and when to submit claims is available at www.aetna.com. You can have FSA and HSA reimbursements deposited directly into your regular bank account.

HSA VS. FSA – WHAT’S THE DIFFERENCE?

The HSA offers more opportunities for tax savings (subject to IRS rules). Plus, the account is yours to keep if you leave the plan or Sony Pictures. Here’s how an HSA compares with a general purpose Health Care FSA.

You may buy optional coverage, which increases the amount you'd receive to 70% of your monthly base pay. The combined (company-paid and optional coverage) maximum benefit is \$20,000.

HELP WHEN YOU NEED IT

LIFE IN A YEAR

Make a plan to protect yourself and your loved ones.

Financial health is just as important as physical health. We all have concerns about how loved ones would get by if something happened to us. Sony Pictures offers you the opportunity to replace concern with solid financial planning to protect your loved ones.

Life insurance provides your beneficiary with a benefit in the event of your death.

Accidental Death and Dismemberment (AD&D) insurance provides an additional benefit if you suffer a serious injury in an accident, or in the event of your accidental death.

The Hospital Indemnity and Accident plans pay you cash if you're hospitalized, or injured and need care.

LEAVES OF ABSENCE

Sony Pictures provides many types of leaves of absence that allow you to take time off when you need it.

Some of these leaves are required by federal and state law. Other leaves, such as a Personal Leave, are offered at the discretion of Sony Pictures.

Sony Pictures offers eligible employees 12 weeks of paid time off for qualifying leaves, to care for or bond with family members.

For information about all the types of leave Sony Pictures offers, please see the Leave of Absence policies in the Employee Handbook. Contact Sony Pictures Leave Administration at **1-888-256-4094** or **www.matrixabsence.com** to report a leave.

BASIC LIFE AND AD&D INSURANCE

Sony Pictures provides eligible employees with basic life¹ and AD&D insurance of 1x annual base salary up to a maximum of \$1 million at no cost to you. Coverage is provided by Securian Financial.

IMPUTED INCOME

If you have company-provided employee life insurance coverage of more than \$50,000, the IRS requires that the fair-market value of the premium above \$50,000 be treated as taxable income.

The imputed income amount is shown on your paystub and on your year-end W-2 form. Talk to your tax advisor for more information.

¹ Executive life insurance provided by MetLife; different limits may apply.

CHOOSING YOUR BENEFICIARIES

Choosing who will receive your survivor benefits for life insurance, AD&D and 401(k) is an important decision.

You're required to name your beneficiaries when you enroll. After your first enrollment, you should periodically review your beneficiary elections to make sure their information is up to date. You may change beneficiaries at any time.

Everyone's situation is unique. Visit Securian's online insurance calculator at lifebenefits.com/insuranceneeds to help estimate an appropriate amount of life insurance.

LIFE IN A YEAR

You may buy additional life¹ and AD&D insurance coverage beyond the basic benefit.

BUSINESS TRAVEL ACCIDENT PLAN (CIGNA)

Sony Pictures provides you with Business Travel Accident (BTA) insurance when you travel on company business. In the event of your death, the plan pays your beneficiary 3x your annual base salary to a maximum benefit of \$1 million. It also provides coverage if you're injured in a covered accident.

1 Executive life insurance provided by MetLife; different limits and rates may apply.

2 At age 65, basic and supplemental employee life and AD&D coverage decreases to 65% of the amount in effect before age 65.

3 If your spouse/partner/child is eligible for coverage as an employee, they cannot be covered as a dependent. A child may be covered by only one parent if both parents are Sony Pictures employees. Children are eligible from live birth to age 26.

4 Supplemental spouse/partner and child AD&D coverage is a percentage of the employee's supplemental AD&D amount.

ACCIDENT AND HOSPITAL INDEMNITY PLANS

We offer two voluntary benefit plans, provided by Aetna: An accident plan and a hospital indemnity plan. Because the plans are “voluntary,” you pay 100% of the premiums with after-tax dollars. And because the premiums are deducted after-tax, any benefits the plans pay to you are tax-free.

You may enroll yourself and your covered dependents during open enrollment; you must keep the plan for the entire year unless you have a qualifying change in status. For more information, visit [SPEVoluntaryBenefits.com](https://www.aetna.com/SPEVoluntaryBenefits.com) or call **1-855-721-2399**.

VOLUNTARY ACCIDENT PLAN

Accidents are just that — accidents. You can't plan for them. But, you can protect yourself financially as much as possible. This plan will pay you benefits if you're hurt in an accident and:

- Have to visit the emergency room or urgent care
- Require follow-up visits, physical therapy, etc.
- Are hospitalized (hospital-stay limit is 365 days)

BONUS! The plan also pays \$75 when you get preventive care and screenings.

ACCIDENT PLAN RATES

Tier	Rate
Employee	\$10.58
Employee + spouse	\$19.18
Employee + child	\$20.54
Family	\$28.31

VOLUNTARY HOSPITAL PLAN

When you're in the hospital, you can't work, so wouldn't it be nice to get “paid” for your hospital stay? The plan pays benefits for admission and a daily benefit for a covered hospital stay when you have a planned or unplanned hospital stay for an illness, injury, surgery or having a baby. You can use the benefits to help pay out-of-pocket medical costs or personal expenses.

If you're hospitalized for rehabilitation and observation, mental health conditions including substance use disorders, and for many other reasons, this plan will pay you benefits, giving you extra cash when you need it most.

BONUS! The plan also pays \$75 when you get preventive care and screenings.

HOSPITAL INDEMNITY PLAN RATES

Employee	\$14.51
Employee + spouse	\$31.97
Employee + child	\$25.37
Family	\$42.21

Example: Tyler enrolled himself and his son, Jake, in the Accident Plan. Jake injured himself at soccer practice and went to the emergency room. They took X-rays and diagnosed a broken ankle. After Jake's ankle healed, he had six physical therapy visits.

ACCIDENT PLAN PAYOUT

Emergency room	\$225
X-ray	\$50
Fracture (closed)	\$3,000
Appliances	\$100
Physical therapy: 6 sessions x \$50	\$300
Total benefit payment to Tyler	\$3,675

Example: Jada is pregnant and due in early 2022. In March, she's admitted to the hospital and stays one night before delivering a healthy baby boy the next morning. After two nights in the hospital, she and her baby, Alexander, go home.

HOSPITAL INDEMNITY PLAN PAYOUT

Hospital admission	\$1,000
Hospital stay: \$100 per day x 2 days	\$200
Newborn benefit	\$100
Total benefit payment to Jada	\$1,300

Remember, the Voluntary Hospital and Accident Plans cover more than injuries or illnesses. You can also file a claim if you have eligible preventive care services.

IGNITE YOUR FUTURE

LONG WEEKEND (NOW AVAILABLE ON DISC AND DIGITAL)

You and your 401(k) Plan make a great match.

Visit www.rps.troweprice.com to manage your account, or call the Sony Savings Plans Service Center at **1-877-SONY-SAVE (1-877-766-9728)** 7 a.m. to 10 p.m. Eastern time, Monday – Friday.

¹ Eligible pay includes base salary, overtime and bonus, and are eligible for company-matching contributions. In 2021, the IRS limits the amount of pay you can contribute to the plan to \$19,500 in pre-tax and/or Roth contributions. Combined employee pre-tax, Roth and after-tax contributions under the plan may not be more than 50% of eligible compensation or the plan's annual deferral limit (\$42,625), whichever is lower. In addition, the employer matching contributions may not be more than the plan's annual limit (\$12,375). If you're age 50 or older, you can contribute \$6,500 in pre-tax and/or Roth catch-up contributions in addition to the \$42,625. These limits may change annually. If you reach any limits, your contributions to the plan will stop and excess contributions will be returned to you.

SONY USA 401(K) PLAN

Everyone strives for a comfortable retirement. The Sony USA 401(k) Plan is the ideal way to achieve retirement dreams by investing money now so you can enjoy the benefits later. The plan offers several great features, including:

- The opportunity to save a significant portion of your income — up to 50% of your eligible pay¹ pre-tax, after-tax and/or Roth dollars (combined), up to the annual IRS limits. You may make a carryover election, which allows you to make after-tax contributions after you reach the IRS pre-tax limit. You can also elect to automatically increase your contributions each year.
- Free money — Sony Pictures will immediately match 100% of the first 3% of your eligible pay, then 50% of the next 3% you contribute. Pre-tax, after-tax and Roth dollars are eligible for match; however catch-up contributions are not.
- The opportunity to make catch-up contributions. If you're 50 or older in 2022, you may make catch-up contributions of up to \$6,500. (This amount is based on 2021 limits; we anticipate that the IRS will publish revised limits at the end of the year.)
- A range of investment options to choose from, including a series of 10 target retirement date funds, 12 core funds and a self-directed brokerage account.
- For information about the funds, go to www.rps.troweprice.com or call **1-877-SONY-SAVE (1-877-766-9728)**. If you don't select an investment option or are auto-enrolled, any contributions will be invested in the Sony Target Date Fund closest to your estimated retirement age (generally at age 65).
- You can change your contribution percentage, automatic increases or investment elections at any time. You also may designate or update your beneficiary at any time.

MEDICARE PART D PRESCRIPTION DRUG COVERAGE

Important Notice for Medicare-Eligible Employees and Covered Dependents

Sony Pictures Entertainment (Sony Pictures) is required to provide the notice that follows to all Medicare-eligible plan participants. The purpose of the notice is to provide you with a statement of assurance that while you are enrolled in Sony EPO, Sony PPO, Sony Consumer Choice or Kaiser HMO, the prescription drug coverage you have under any of these Sony Pictures medical plans is "Creditable Coverage." This means that, on average, your Sony Pictures coverage is at least as good as the standard Medicare prescription drug coverage. (For more information on Creditable Coverage, you can refer to the "Creditable Coverage" section of the notice below.)

Medicare prescription drug coverage is optional, and you may find that you have all the coverage you need with Sony Pictures. If you decide in a subsequent year that you want to enroll in a Medicare prescription drug plan, this notice will serve as confirmation to Medicare that you had Creditable Coverage in the interim. As a result, you will not have to pay a late penalty on your Medicare prescription drug plan monthly premium if you decide to enroll during a subsequent annual enrollment window. Note, however, that if you opt out (choose the "No Coverage" option) with Sony Pictures, you do not have Creditable Coverage and may be subject to a future premium penalty if you subsequently enroll in a Medicare prescription drug plan. The notice that follows explains the effect of having Creditable and non-Creditable Coverage.

IMPORTANT NOTICE FROM SONY PICTURES ABOUT YOUR PRESCRIPTION DRUG COVERAGE AND MEDICARE

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Sony Pictures and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare prescription drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important facts you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare.

You can get this coverage if you join a Medicare prescription drug plan or join a Medicare Advantage plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some

plans may also offer more coverage for a higher monthly premium.

2. Sony Pictures determined that the prescription drug coverage offered by Sony Pictures is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is considered Creditable Coverage.

Because your existing coverage is, on average, at least as good as standard Medicare prescription drug coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare prescription drug plan.

WHEN CAN YOU JOIN A MEDICARE DRUG PLAN?

You can join a Medicare prescription drug plan when you first become eligible for Medicare and each year from October 15 through December 7. However, if you lose creditable prescription drug coverage through no fault of your own, you will be eligible for a two-month Special Enrollment Period (SEP) to join a Medicare drug plan.

WHAT HAPPENS TO YOUR CURRENT COVERAGE IF YOU DECIDE TO JOIN A MEDICARE DRUG PLAN?

If you decide to join a Medicare prescription drug plan, your current Sony Pictures coverage is not affected.

If you decide to join a Medicare prescription drug plan and drop your Sony Pictures prescription drug and medical coverage, be aware that you and your dependents may not be able to get this coverage back. Please remember that your Sony Pictures prescription drug coverage is bundled with your medical plan option. Therefore, there is no separate employee contribution for prescription drug coverage. If you want to keep your Sony Pictures coverage and you want to avoid duplicate premiums, you should NOT enroll in Medicare prescription drug coverage for 2022.

Please contact us for more information about what happens to your coverage if you enroll in a Medicare prescription drug plan.

WHEN WILL YOU PAY A HIGHER PREMIUM (PENALTY) TO JOIN A MEDICARE DRUG PLAN?

You should know that if you drop or lose your coverage with Sony Pictures and don't join a Medicare prescription drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare prescription drug plan later. If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go 19 months without Creditable Coverage, your premium may consistently be at least 19% higher than the base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

FOR MORE INFORMATION ABOUT THIS NOTICE OR YOUR CURRENT PRESCRIPTION DRUG COVERAGE

If you have questions, call a Sony Pictures Benefits Center representative toll-free at **1-833-9-SONY-01**.

NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare prescription drug plan, and if this coverage through Sony Pictures changes. You also may request a copy of this notice at any time from a Sony Pictures Benefits Center representative toll-free at **1-833-9-SONY-01**.

NOTIFICATION OF YOUR RIGHTS TO PLAN MODIFICATION, TERMINATION, AND INTERPRETATION

Sony Pictures reserves the right in its sole and absolute discretion to amend, modify, or terminate any or all employee benefit plans at any time and for any reason. This means that Sony Pictures may decide to change the design of the prescription drug benefit so that it no longer constitutes Creditable Coverage. If this happens, we will notify you of the change and of your options at that time.

In addition, Sony Pictures reserves the sole and absolute discretionary right to interpret and apply the terms of the medical plan and to render final and binding decisions about the plan and its coverage. In the event of a conflict between this notice and the terms of the plan, the terms of the plan will govern in all cases.

Consolidated Omnibus Budget Reconciliation Act of 1985 ["COBRA"] – requiring that

most employers sponsoring group health plans offer employees and their families the opportunity for a temporary extension of health coverage (called "Continuation Coverage") at group rates in certain instances where coverage under the plan would otherwise end (called "qualifying events"). For additional information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the plan administrator.

SPECIAL ENROLLMENT PERIODS

If you decline enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this Plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage).

However, you must request enrollment within 31 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 31 days after the marriage, birth, adoption, or placement for adoption.

If you decline enrollment for yourself or for an eligible dependent (including your spouse) while Medicaid coverage or coverage under a state children's health insurance program is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage. However, you must request enrollment within 60 days after you or your dependents' coverage ends under Medicaid or a state health insurance program.

If you or your dependents (including your spouse) become eligible for a state premium assistance subsidy from Medicaid or through a state children's health insurance program with respect to coverage under this plan, you may be able to enroll yourself and your dependents in this plan. However, you must request enrollment within 60 days after your or your dependents' determination of eligibility for such assistance.

To request special enrollment or obtain more information, contact a Sony Pictures Benefits Center representative toll-free at

1-833-9-SONY-01. Individuals who have questions about HIPAA may contact The Centers for Medicare & Medicaid Services (CMS) toll-free at **1-877-267-2323**. HIPAA PRIVACY STATEMENT

Sony Pictures maintains the privacy and security of your personal health information in compliance with Health Insurance Portability and Accountability Act (HIPAA). All policies regarding the HIPAA Privacy and Security regulations may be found in Sony Pictures' HIPAA Privacy Notice which describes our legal duties and privacy practices relating

to how medical information about you may be used and/or distributed. You can get a copy of the Privacy Notice, for no charge, on Sony Pictures Benefits Center or on www.Benefits.SonyPictures.com. **You can request a paper copy at no charge by calling 1-310-244-7062.**

PATIENT PROTECTION NOTICE

The Kaiser Permanente HMO generally requires the designation of a primary care provider. You have the right to designate any primary care provider who participates in our network and who is available to accept you or your family members. Until you make this designation, Kaiser Permanente will designate one for you. For information on how to select a primary care provider, and for a list of the participating primary care providers, contact Kaiser at **1-800-464-4000**.

For children, you may designate a pediatrician as the primary care provider. You do not need prior authorization from Kaiser or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures

for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact Kaiser at **1-800-464-4000**.

WOMEN'S HEALTH AND CANCER RIGHTS ACT OF 1998 ("WHCRA")

Your health care plan, as required by the Women's Health and Cancer Rights Act of 1998, provides benefits for mastectomy-related services, including all stages of reconstruction and surgery to achieve symmetry between breasts, prostheses, and complications resulting from a mastectomy (including lymphedema). These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under the plan. Call your health care provider at **1-888-385-1053**, Aetna or Kaiser at **1-800-464-4000**, for more information.

NEWBORNS' AND MOTHERS' HEALTH PROTECTION ACT OF 1996

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours for any vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than the 48 hours (or 96 hours as applicable). In any case, plans and issuers may not under Federal law require that the provider obtain authorization from the plan or issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

SONY PICTURES GROUP BENEFIT PLAN ANNUAL SUMMARY REPORT

The 2020 Summary Annual Reports (SARs) summarize the financial information for Sony Pictures' Benefits Plans as required by the Employee Retirement Income Security Act (ERISA) of 1974, as amended. To view the reports, go to [mySPE>Resources>Benefits](#). If you are unable to access the SAR document, please contact People & Organization (P&O) at **1-310-244-4748**. PREMIUM ASSISTANCE UNDER MEDICAID AND THE CHILDREN'S HEALTH INSURANCE PROGRAM (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available. If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

To see if any other states have added a premium assistance program since July 31, 2021, or for more information on special enrollment rights, contact either:

U.S. Department of Labor Employee Benefits Security
www.dol.gov/agencies/ebsa
1-866-444-EBSA (3272)

U.S. Department of Health and Human Services Centers for Medicare & Medicaid Services
www.cms.hhs.gov
1-877-267-2323,
Menu Option 4, Ext. 61565

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2021. Contact your state for more information on eligibility.
