## **PLAN ENHANCEMENTS**

### **Vision**

In 2023, we are delighted to introduce a new offering through our VSP Vision coverage, KidsCare, an enhanced vision benefit for dependents under age 26. KidsCare allows for two exams per year and a second set of lenses per year when there is a prescription change.

We will also enhance coverage for certain important services, including vision therapy for the treatment of certain severe eye conditions.

### **Dental**

In response to feedback from participants, in 2023 we will also enhance dental coverage for occlusal guards — commonly called night guards — allowing participants to buy or replace this device every three years (instead of every five).

### **Hospital Indemnity Plan**

- Coverage for unlimited hospital admissions each year (increased from one admission per year)
- Plan benefits starting on day one of your hospitalization (instead of day two)
- Additional benefits included in plan coverage

### **Accident Plan**

- Broadening the types of injuries covered
- Increases to many of the benefit payment amounts

## **AETNA HEALTH SAVINGS ACCOUNT (HSA) LIMIT INCREASE**

In 2023, the IRS increased the permissible contribution limit for HSAs, allowing us to increase the amount of money you can contribute to your tax incentivized Sony Consumer Choice Plan HSA, as follows:

- Increased maximum annual contributions of \$3,850 for employee only coverage
- Increased maximum annual contributions of \$7,750 if your medical plan covers at least one other person

When you're enrolled in the Sony Consumer Choice Plan, Sony Pictures will continue to contribute each year to the HSA as follows:

- \$750 – employee only coverage
- \$1,500 – family coverage

## **OTHER IMPORTANT PLAN CHANGES**

As part of the 2023 law changes, the IRS increased the minimum deductible for all high-deductible plans in the U.S. by \$100 for single participants and \$200 for families. This increase will be reflected in the Sony Consumer Choice Plan, and similar adjustments will cascade through our Sony PPO and Sony EPO plans' deductibles, as well as slight changes to the maximum out-of-pocket limits. Please refer to the applicable sections of this guide for deductible and out-of-pocket expenses for each plan.

In 2023, we continue to see health care costs on the rise significantly across most of our plans. Sony Pictures is committed to moderating how these increased costs are shared with employees through thoughtful and modest annual adjustments to employee contributions. This approach was reflected in 2020 when we *decreased* employee contributions, in 2021 when we made *no change* to employee contributions, and in 2022 when we increased employee contributions for select plans by 3% while holding most plans flat.

In 2023, we have decided to once again cap our increase to employee contributions (where appropriate) at 3% and absorb any additional costs in our plan offerings. Please refer to the applicable section of this guide for employee contribution details for each plan.

At Sony Pictures, we deeply value everything you do every day to make us successful. In return, we offer benefit plans and programs designed to support you and your loved ones where it matters most. Wishing you a very happy and healthy 2023!

Take Care,

Stacy Green

## LIGHTS! CAMERA! ACTION!

During your enrollment period, you can enroll in or make changes to your current benefits, and enroll in a Flexible Spending Account (FSA) or Health Savings Account (HSA). If you don't take action, your current benefits will carry over to 2023 (except FSA and HSA contribution amounts as well as identity theft protection). If you want an FSA or HSA, you must actively enroll.

## ENROLLMENT

**NEW EMPLOYEES** — Your Sony Pictures benefits coverage is effective on your first day of employment; however, you have 31 days from your date of hire to enroll in benefits. No matter when you enroll within that 31-day window, your benefits will be effective retroactively to your date of hire.

**You have 31 days to enroll in health benefits.** If you do nothing, Sony Pictures automatically enrolls you — but none of your dependents — in the Sony Consumer Choice medical plan, vision coverage, prescription drug coverage, Basic Life and Accidental Death and Dismemberment (AD&D), and Basic Long-Term Disability. You won't receive dental coverage.

You're locked into your benefit choices until the next open enrollment unless you experience a qualifying change in status or life event.

### YOU HAVE 45 DAYS TO ENROLL IN THE 401(K)

You have 45 days from your date of hire to change to or waive the Sony USA 401(k) Plan. You'll get a packet of information from T. Rowe Price, Sony's 401(k) administrator, with details about the plan.

If you don't act within 45 days, you'll be defaulted into the plan with a 6% contribution rate. Contributions will automatically increase 1% annually on the enrollment anniversary date until you reach a contribution rate of 10%.

Find out more at [www.rps.troweprice.com](http://www.rps.troweprice.com), or call **1-877-766-9728**.

**CURRENT EMPLOYEES** — If you don't enroll during open enrollment, your current benefits will carry over to 2023, except for FSA and HSA contribution amounts. If you want to contribute to an FSA or HSA in 2023, you must enroll during open enrollment.

### FAMILY STATUS CHANGE — MAKING BENEFIT CHANGES DURING THE YEAR

You may make changes during the year if you have a change in status or qualifying life event. These events may include:

- Marriage or the declaration of a domestic partnership
- Legal separation, divorce, or termination of a domestic partnership
- Birth, adoption, or getting legal custody of a child
- Death of a dependent or loss of legal custody
- A dependent's loss of eligibility
- Losing other coverage

If you experience one of these events, you must submit your benefits-change request to Sony Pictures Benefits Center within 31 days of the event date to make changes to your coverage. Any change in your benefits must be consistent with your status change.

If you miss this enrollment window, you must wait until the next open enrollment to make changes, unless you have a qualifying status change. ## WHO'S ELIGIBLE

Generally, you're eligible for the benefits described in this guide if you're:

- Classified by Sony Pictures as a regular full-time, non-union employee working in the United States, and
- Regularly scheduled to work at least 20 hours per week over a five-day work week

## ELIGIBLE DEPENDENTS

When enrolling dependents for coverage, you must provide each dependent's Social Security number. This is required by the Affordable Care Act so Sony Pictures can properly report your coverage.

Dependents are eligible if they're your:

- Legally married spouse or domestic partner
- Children up to 26 years old who meet the program's definition of an eligible dependent, regardless of full-time student status, through the end of the month in which they turn 26, or
- Children of any age who became physically or mentally disabled by age 26 and who depend on you for financial support (validation of disability required)

**Note:** Eligible children are your biological children, stepchildren, legally adopted children, foster children, or children of your legally married spouse or your domestic partner, provided that for stepchildren or children of a domestic partner you furnish more than half their support. You may enroll your domestic partner's children only if your domestic partner is enrolled.

NEW YORK OFFICE

## PROOF OF DEPENDENT ELIGIBILITY

You must provide proof of eligibility when enrolling a dependent for the first time. Sony Pictures Benefits Center will request copies of appropriate documentation to verify your dependent's eligibility.

## DOMESTIC PARTNER

You and your domestic partner must meet these requirements to be eligible for coverage:

A

You're not legally married and are registered domestic partners, or entered into a lawful civil union in the state where you live; or

B

You must meet and attest to all these requirements and complete an affidavit of spousal equivalency, which you can find on **benefits.sonypictures.com**:

- Your domestic partner and you are each other's sole domestic partner, and are emotionally committed to each other for mutual care and support, and intend to remain so indefinitely, and
- You've lived together in the same home for a full six months and intend to remain so indefinitely, and
- You're jointly responsible for each other's financial welfare and basic living expenses (you're financially interdependent), and
- You're both at least age 18 and mentally competent to consent to a contract under the laws of the state in which you live, and
- You're not related by blood closer than would bar marriage under applicable law in effect where you live, and
- You're not legally married to each other and aren't legally married to or separated from anyone else

## DID YOU KNOW?

### TAX IMPLICATIONS OF COVERING DOMESTIC PARTNERS

If you enroll your domestic partner or their eligible dependents in Sony Pictures benefits, the IRS requires that you pay federal income tax on the fair-market value of their coverage. This cost is in addition to the employee contribution you must make for their coverage as determined by Sony Pictures.

See your medical plan SPD on **benefits.sonypictures.com** for details about domestic partner coverage.

# 'WHAT IS' THE BEST PLAN FOR YOU?

The clues are here to help you choose the right medical plan.

## IMPORTANT DEFINITIONS

These terms will help you as you read through this guide.

<b>Deductible</b>	This is the amount you have to pay out-of-pocket before the plan starts to pay.
<b>Coinsurance</b>	Once you meet the deductible, this is the percentage the plan will pay. If the coinsurance is 80%, you'll pay 20% of the cost of care.
<b>Copay</b>	This is a flat amount you pay when you receive care. For example, if your plan has a copay for doctor visits, you pay just that amount and the plan pays the rest. In some medical plans, some kinds of care require copays and other kinds of care require coinsurance.
<b>Annual out-of-pocket maximum</b>	This is the most you'll pay in a plan year. Once you reach this, the plan will cover 100% of your qualified medical care for the rest of the plan year. You won't have to pay any more costs once you meet the out-of-pocket maximum, as long as you stay in-network. This includes the deductible, coinsurance, copays, and prescription drug costs.
<b>Employee premiums</b>	The amount taken out of your paycheck to pay for health insurance.

Sony Pictures provides four medical plan options to meet the needs of you and your family:

<p><b>Aetna</b> Sony Consumer Choice</p>	<p><b>Aetna Sony PPO</b></p>	<p><b>Aetna Sony EPO</b></p>	<p><b>Kaiser HMO</b> (Southern California only)</p>

## WHEN YOUR DOCTOR'S NOT IN OUR NETWORK

Health care providers are either in-network or out-of-network. It sounds like a small difference but going out-of-network could drastically increase your health care expenses.

In-network doctors partner with Aetna to offer discounted rates to Aetna members like you. You get the discounted rate and your doctor submits your claim to Aetna. What you pay out of pocket for covered expenses counts toward your deductible and out-of-pocket maximum. And, when you stay in-network, you keep health care costs down for you and Sony Pictures, which helps keep everybody's rates down.

Out-of-network doctors don't offer these discounts so you spend more out of pocket — sometimes a lot more. Out-of-network doctors will be reimbursed by the plan at a lower rate, which may mean you pay more. Plus, out-of-network doctors don't file claims for you; you pay up front then file claims yourself.

To be a savvy health care consumer, here are some important reminders:

- Even if a doctor, clinic, lab, or hospital "accepts" your insurance, it doesn't mean they're in the Aetna network
- Don't assume that because your doctor is in-network, the hospital (or lab, imaging center, pharmacy, etc.) is, too
- Check to see if your doctor is in-network using Aetna's provider search tool at [www.aetna.com/dsepublic/#/sony](http://www.aetna.com/dsepublic/#/sony)

## AETNA MINUTECLINIC: YOUR CONVENIENT HEALTH CARE OPTION

When you need quality care but can't see your regular doctor, visit your local MinuteClinic at select CVS pharmacies.

They have extended hours, even on nights and weekends. (Note that not all MinuteClinics are open 24/7 even if the CVS pharmacy stays open.) You never need an appointment, and they can treat adults and children 18 months and older. We're also excited to announce that covered MinuteClinic services are free under Sony Pictures' Aetna plans.<sup>1</sup>

MinuteClinic nurse practitioners can:

- Diagnose and treat illnesses, injuries, and skin conditions
- Provide vaccinations and physicals
- Screen for and monitor chronic conditions

Find your closest location at [www.cvs.com/minuteclinic/clinic-locator](http://www.cvs.com/minuteclinic/clinic-locator). You can view wait times and hold your place in line at [www.cvs.com/minuteclinic](http://www.cvs.com/minuteclinic) or on the CVS pharmacy app.

<sup>1</sup> If you're enrolled in the Sony Consumer Choice Plan, you must pay the full amount of the non-preventive appointment until you meet the plan's deductible.

**DID YOU KNOW?** 

**REASONABLE AND CUSTOMARY**

If you go to an out-of-network provider, they can set their own rates.

The Sony Aetna plans will only pay what's "reasonable and customary" — the amount Aetna determines is the normal charge for specific health-related care and procedures within a geographic region.

If what your out-of-network provider bills you is higher than Aetna's reasonable and customary rate, you'll be responsible for paying the difference between Aetna's approved rate and the provider's fee. This amount will not count toward your deductible.

## SONY CONSUMER CHOICE PLAN WITH HEALTH SAVINGS ACCOUNT

### THE SONY CONSUMER CHOICE PLAN IS A PREFERRED-PROVIDER PLAN (PPO) THAT INCLUDES A HEALTH SAVINGS ACCOUNT (HSA).

The Sony Consumer Choice Plan has lower monthly premiums than our other plans, but also higher annual deductibles. You may visit any doctor or specialist you choose, in- or out-of-network, and these services will be covered in accordance with the plan terms.

Services that qualify as either “preventive care services”<sup>1</sup> or “preventive care prescriptions” received through in-network providers are covered 100% by the plan. Other services, including many prescription drugs, are subject to your medical plan deductible. Please note: Any amounts paid to out-of-network doctors that exceed the “reasonable and customary” standard of the plan will not apply to your deductible or out-of-pocket maximum.

The Sony Consumer Choice Plan works in conjunction with an HSA. Review the plan comparison chart on page 17 for more information.

*1 Please refer to each plan for a specific list of covered preventive services. Please note that not all prenatal care services qualify as preventive care.*

### HOW THE DEDUCTIBLE WORKS

The family deductible works different from the standard PPO plan. “Family coverage” is any coverage with more than only you (i.e., employee + children or spouse/partner). You must meet the family deductible before the plan starts paying any benefits. Remember, until you meet the deductible, you pay 100% of the cost of most health care and prescription drugs.

Once you meet the family in-network deductible, the plan’s coinsurance kicks in; you’ll pay 20% for all covered in-network medical services and most prescription drugs until you reach the out-of-pocket maximum. Once you hit that, the plan will pay 100% of covered care for the rest of the plan year.

Prescription drugs will be paid at the rates shown on page 19.

#### EXAMPLE 1

Barbara has medical coverage for herself, her spouse, and their two children.

They haven’t met the \$3,000 in-network family deductible. As a result, the family will pay 100% of care and prescriptions until they meet the \$3,000 deductible. These expenses can be paid or reimbursed from Barbara’s HSA.

Participant	Covered expenses
Barbara	\$1,350
Spouse	\$100
Child 1	\$250
Child 2	\$50
<b>TOTAL</b>	<b>\$1,750</b>

#### EXAMPLE 2

Barbara’s family has met the \$3,000 deductible, so the plan pays 80% of covered care and prescription drugs for the family until the out-of-pocket maximum is met. This is called coinsurance.

The family also has reached the \$8,000 family in-network out-of-pocket maximum (annual deductible + coinsurance + prescriptions). As a result, the plan will pay 100% of covered in-network care and prescription drugs for the rest of the plan year.

Participant	Covered expenses
Barbara	\$2,000
Spouse	\$4,500
Child 1	\$1,000
Child 2	\$500
<b>TOTAL</b>	<b>\$8,000</b>

## HSA

If you enroll in the Sony Consumer Choice Plan, you may enroll in an HSA, which is a tax-deferred account for paying qualified health care expenses. Unused funds roll over year to year. Unlike an FSA, there is no “use it or lose it” penalty.

The HSA is a lot like a regular bank account, but the interest your HSA earns is tax-free. If you leave the company, you can take the HSA with you because the account belongs to you. The HSA is not a Sony Pictures-sponsored benefit; it’s an account you own.

### Contributions

Sony Pictures contributes tax-free money to your account; you can contribute with deductions from your paycheck. Your contributions are taken out of your paycheck before federal taxes are calculated on your income, so you pay less income tax, too.

The 2023 maximum HSA contribution is \$3,850 for individual coverage and \$7,750 for family coverage. This includes the Sony Pictures contribution. You can change your contributions during the year and make an after-tax contribution, too.

If you’re 55 or older, you can make an additional \$1,000 “catch-up” contribution each year — also free from federal taxes (state taxes may apply).

Sony Pictures will contribute \$750 (employee only) and \$1,500 (family) to your HSA. Sony Pictures’ full HSA contribution for 2023 will be made in January so you’ll be able to use the funds early in the year. As a new employee, you’ll get the prorated HSA funding amount the first calendar quarter after you join the plan and set up your HSA.

### 2023 HSA Annual Contribution Limits

HSA Type	Sony Pictures’ Contribution	Amount You May Contribute	Total Allowed Contribution
Employee Only Coverage	\$750	\$3,100	\$3,850
Family Coverage	\$1,500	\$6,250	\$7,750

### Qualifying for an HSA

When you enroll in the Sony Consumer Choice Plan, you will verify your eligibility for an HSA and select your annual contribution amount through the Benefits Center.

To be eligible, you:

- Must be covered under the Sony Consumer Choice Plan
- Have no other health coverage (except what the IRS allows)
- Aren’t enrolled in Medicare
- Aren’t claimed as a dependent on someone else’s tax return
- Or your spouse doesn’t have a general purpose Health Care FSA or Health Reimbursement Account (HRA); however, you can enroll in a Limited Purpose Health Care FSA (see page 29)

If you’re Medicare eligible or approaching Medicare eligibility, email [SPE\\_Benefits@spe.sony.com](mailto:SPE_Benefits@spe.sony.com).

## SETTING UP YOUR HSA

You must set up your HSA before you incur qualified medical expenses you want to pay with HSA funds. The HSA “establishment date” is important because you can’t use the funds to pay medical expenses you incurred before that date.

For example, if you go to the doctor January 5, but don’t open your account until January 30, you can’t pay those January 5 expenses with HSA funds.

PayFlex will automatically open your account when you enroll in the Sony Consumer Choice Plan. They’ll notify you if they need more information for verification purposes.

Make sure your legal name matches your Social Security card and your Sony Pictures file. If it doesn’t, there may be a delay in establishing your HSA.

You can only use your HSA funds on health care for yourself and for your federal tax dependents.

Review the IRS rules on HSAs for more details: [www.irs.gov](http://www.irs.gov) (Publication 969).

## SONY PPO PLAN

This plan allows you to visit any health care provider you want, but pays more when you use in-network providers. The PPO Plan’s network is the same as the Consumer Choice Plan.

The plan covers in-network preventive care at 100%. For in-network office visits, you pay a copayment. For other care, you pay 100% of all expenses until you meet the deductible before the plan starts paying. If you cover dependents on your plan, each person must meet the individual deductible until the family deductible is met. You may meet the family deductible by any combination of covered medical expenses you and your covered family members incur.

## SONY EPO PLAN

The EPO is an in-network-only PPO with a modest deductible. You may visit any doctor in the Aetna Select EPO network without a referral. You don’t have to choose a primary care physician (PCP), but having a PCP results in a higher level of care continuity.

This plan covers in-network preventive care and certain preventive drugs at 100%. For in-network office visits, you pay a copayment. For other care, you pay 100% of all expenses until you reach the deductible.

**Note:** This network is slightly different from the Aetna network for the Sony Consumer Choice and PPO plans, so make sure you refer to the EPO network when checking to see if a provider is in the network.

### HOW THE DEDUCTIBLE WORKS IN THE PPO/EPO PLAN (EXAMPLES ARE IN-NETWORK)

#### EXAMPLE 1

Robert and his family are in the Sony PPO Plan. He’s met the \$700 individual deductible, so his plan will begin paying 80% coinsurance for his care; however, the \$1,400 family deductible hasn’t been met, so his spouse and child will continue to pay Aetna’s full negotiated rate for services until the family deductible is met.

Participant	Covered expenses
Robert	\$700
Spouse	\$100
Child	\$200
<b>Total</b>	<b>\$1,000</b>

#### EXAMPLE 2

Robert’s family has met the deductible so the plan will pay 80% coinsurance for the whole family until they meet the out-of-pocket maximum. Once they meet that, the plan will pay 100% of covered services for the rest of the plan year.

Participant	Covered expenses
Robert	\$600
Spouse	\$200
Child	\$600
<b>Total</b>	<b>\$1,400</b>

## KAISER HMO PLAN (AVAILABLE IN CALIFORNIA ONLY)

You must use health care providers and facilities in the Kaiser network only. You choose a primary care physician (PCP) who will refer you to specialists if necessary. Most services require a copay, and there is no deductible to meet.

For more information, review the “2023 Medical Plans at a Glance” table on page 13.

<sup>2</sup> After deductible.

<sup>3</sup> Family out-of-pocket maximum has an embedded per-member out-of-pocket maximum of \$6,850 for in-network services.

<sup>4</sup> The cost for the Sony Consumer Choice Plan Teladoc: \$49 copay is for medical services, exceptions include behavioral health (psychiatric consultation \$190 each, psychiatric follow up \$95 each, master's level therapist \$85 each), and dermatology (\$75 each). Once you meet the deductible, Teladoc services are free.

<sup>5</sup> Visit limit does not apply to rehabilitative treatment for autism and development delays, however exclusions may apply.

**Note:** If you meet the in-network deductible in an Aetna plan, it counts toward the out-of-network deductible, and vice versa. Example: If you're in the PPO and meet the \$700 in-network deductible, you've met half of the \$1,400 out-of-network deductible.

## YOUR COST FOR 2023 MEDICAL COVERAGE

Below is a breakdown of your cost per month for each plan. How much you pay is based on the benefits you choose, your base salary when you're hired (and each September 1 after that), and who you cover under your plan.

Sony Pictures shares the cost of most of your benefits with you as part of our commitment to offering you the protection you need. Your payroll deductions are generally taken out of your pay on a pre-tax basis, which means you pay less income tax. Consult your tax advisor for details.

**Five stars!** Only 3% increase in Aetna medical rates for 2023.

# THE PERFECT DOSE OF COVERAGE

THE GOOD DOCTOR  
ON DISC AND DIGITAL

Prescription drug benefits are available in all our medical plans.

All Sony Pictures medical plans:

- Offer prescription drug coverage – The benefit depends on the plan you choose and type of drug prescribed
- Our plans cover the full cost of certain preventive care prescriptions, contraceptives, and tobacco cessation medications

### KEEPING COSTS DOWN AND QUALITY UP

We're always working with Express Scripts to help keep prescription drug costs down while maintaining access to clinically proven medications. What this means to you is that the formulary — the list of drugs your medical plan will cover — can change; new drugs get added and others get taken off.

If you take regular medications, we encourage you to occasionally review the formulary to make sure the medications you need are still on the list. If your covered drug is removed, talk to your doctor about similar medications your plan does cover.

When the formulary changes and it affects a medication you take, Express Scripts will contact you before the change goes into effect so you have time to work with your doctor to find alternatives.

# HELPFUL PRESCRIPTION TERMS

**GENERIC DRUGS:** This is equivalent to the brand name drug in dosage, safety, strength, quality, performance, and intended use. By law, the amount of active ingredient in a generic drug must be identical to the brand name product.

**BRAND NAME:** A drug marketed under a trademark-protected name, like Lipitor or Prozac.

**COMPOUND MEDICATIONS:** Medications that are combined, mixed or altered by a licensed pharmacist. The FDA doesn't verify the quality, safety, or effectiveness of compound medications; *they're not covered under Sony Pictures' plans.*

**PREFERRED DRUGS:** Generic and brand name medications for which you'll pay less under the plan.

**NON-PREFERRED DRUGS:** Prescriptions for which you'll pay more under the plan.

## EXPRESS SCRIPTS

You'll receive a separate ID card from Express Scripts.

### YOUR COST FOR PRESCRIPTIONS

If you buy a brand name drug (preferred or non-preferred) when a generic is available, you'll pay the coinsurance plus the difference in cost between the brand name and generic drugs, unless your prescription doesn't allow a generic substitution.

### MAINTENANCE MEDICATIONS

If you take a maintenance medication to manage a chronic condition, you may fill it three times at a retail pharmacy. On the fourth refill, you must use the mail order service or pay the full cost of your prescription. You also can fill 90-day supplies of your maintenance medication at a CVS pharmacy if you prefer getting your prescriptions at a retail pharmacy.

### SONY CONSUMER CHOICE PLAN AND PRESCRIPTIONS

For most prescriptions, you'll pay 100% of the cost of a prescription until you reach the plan's deductible; however, some "preventive care" medications (as defined by the plan) that help you avoid or manage certain illnesses and conditions may be covered at 100%. Medications that treat conditions that may be covered at 100% include:

- Asthma
- Cholesterol
- Diabetes
- High blood pressure
- Heart disease
- Side effects of cancer treatment

For a complete list of covered preventive prescriptions covered at 100%, go to [benefits.sonypictures.com](https://benefits.sonypictures.com).

# YOUR ROYAL SMILE

THE CROWN (SEASON 4)  
AVAILABLE ON NETFLIX

Keep your smile ready for any occasion.

There are two dental plan options to choose from: the High Plan and Standard Plan.

The High and Standard plans use the Delta Dental PPO and Premier networks. You'll receive benefits for services with any dentist, but Delta Dental's PPO network provides you with the deepest discounts on your dental costs. If you can, it's best to find Delta Dental PPO dentists and specialists to minimize your out-of-pocket costs and maximize your benefits.

With the High Plan, you'll pay more out of each paycheck but less when you need care. The Standard Plan is a less generous plan, but your per-paycheck contributions are less. Only the High Plan covers orthodontia, so if you need that benefit, the High Plan is for you.

Like your medical plan, dental coverage also includes preventive care benefits at 100%. Take advantage of this and schedule regular checkups with your dentist.

For more information about the plans, or to view the provider directory, visit [www.deltadentalins.com/sony](http://www.deltadentalins.com/sony), or call 1-800-471-7059.

# THE MAGIC OF SAVINGS

Save tax-free money to pay health and dependent care expenses.  
No fairy godmother required.

## USE IT OR LOSE IT

You have until December 31, 2023, to use your FSA funds. Make sure to plan your contributions carefully because you'll lose any unused funds.

Flexible Spending Accounts (FSAs) allow you to set aside money on a pre-tax basis to pay eligible health care and dependent day care expenses. You must choose a contribution amount during the enrollment period to participate in an FSA; the amount you contributed last year doesn't automatically carry over.

We offer three types of FSAs:

- Health Care FSA
- Limited Purpose FSA
- Dependent Care FSA

You determine how much to contribute to each account. Your contributions are deducted from your paycheck on a before-tax basis (subject to IRS). FSAs and the HSA are administered by PayFlex.

## HEALTH CARE FSA (GENERAL PURPOSE)

### ANNUAL CONTRIBUTION: UP TO \$2,850<sup>1</sup> EACH YEAR

You may use funds to pay medical and dental plan deductibles, copayments and coinsurance; prescription drugs; vision care expenses, including contacts; orthodontics; medical equipment; and more. The IRS doesn't allow individuals with HSAs to also have a general purpose Health Care FSA.

## LIMITED PURPOSE HEALTH CARE FSA

### ANNUAL CONTRIBUTION: UP TO \$2,850<sup>1</sup> EACH YEAR

If you're enrolled in the Sony Consumer Choice Plan (with the HSA), Sony Pictures offers a Limited Purpose Health Care FSA. You can use it to pay only dental and vision expenses until you meet your medical plan's deductible. Once you do, you can use this FSA for qualified medical expenses, too.

For a complete list of qualified Health Care FSA expenses, see IRS Publication 502, [www.irs.gov](http://www.irs.gov).

## DEPENDENT CARE FSA

### ANNUAL CONTRIBUTION: UP TO \$5,000<sup>1</sup> EACH YEAR

If you pay for dependent care, you may enroll in the Dependent Care FSA to pay qualified dependent day care and elder care expenses.<sup>2</sup>

#### Qualified caregivers include:

- Licensed child care centers
- Nursery schools and preschools
- In-home care (au pair/nanny) and babysitting
- Elder/senior day care

#### Qualified dependents include:

- Your children age 12 and younger
- A spouse or dependent of any age who lives with you, relies on you, and is physically or mentally unable to care for herself/himself, and is listed as a dependent on your federal income tax return

Consult your tax advisor on whether you should enroll in the Dependent Care FSA or take advantage of the federal dependent care tax credit.

<sup>1</sup> At the time of printing this guide, the IRS had not announced the 2023 FSA limits. The amounts shown in this guide are the 2022 limits.

<sup>2</sup> Highly compensated employees (those who earned more than \$130,000 in 2022) will be limited to \$2,800 annual contribution.

## MEDICAL SPENDING ACCOUNTS

### ELIGIBLE EXPENSES FOR FSAs AND HSA

There are three kinds of tax-favored medical spending accounts:

**HSA** – Available only with the Sony Consumer Choice Plan.

**FSA** – Available only if you DO NOT have an HSA.

**Limited Purpose FSA** – Available only if you have an HSA and need to cover expenses NOT covered by the HSA.

These accounts are designed to cover expenses not covered by your benefit plans, including:

- Expenses that count toward the deductible
- Copays and coinsurance
- Prescription drugs
- Dental care, including braces
- Hearing aids
- Contact lenses and LASIK surgery
- Wheelchairs

Depending on which plan you choose, these expenses will be paid in different ways. See IRS Publication 502 for a complete list of qualified health care expenses you can pay with HSA and FSA funds, [www.irs.gov](http://www.irs.gov).

Check Aetna Navigator at [www.aetna.com](http://www.aetna.com) for more information. There’s even a tool to help you organize medical expenses and HSA withdrawals online.

You may use HSA and FSA funds to pay qualified medical expenses for yourself, your spouse, and eligible dependents without tax penalty. If you use the funds for non-qualified expenses, penalties may apply.

# FOR LIFE'S UNEXPECTED TURNS

BULLET TRAIN  
ON DISC AND DIGITAL

When life goes off the rails, long-term disability (LTD) can get you back on track.

Sony Pictures provides you with basic LTD coverage, administered by Matrix.

LTD pays benefits if an illness or injury prevents you from working for an extended period.

You're automatically enrolled in basic coverage. It pays 60% of your monthly base pay up to \$400,000, for a maximum benefit of \$20,000 per month (after 180 days of disability).

You may buy optional coverage, which increases the amount you'd receive to 70% of your monthly base pay. The combined (company-paid and optional coverage) maximum benefit is \$20,000 per month.

You're taxed on the premium Sony Pictures pays for you and your optional premiums; however, the LTD benefit, should you ever need it, won't be taxed.

# PROTECT YOUR FAMILY'S FUTURE

THE WHEEL OF TIME (SEASON 1)  
AVAILABLE ON AMAZON PRIME VIDEO

Give yourself and your loved ones the gift of financial protection and peace of mind.

Financial health is just as important as physical health. We all have concerns about how loved ones would get by if something happened to us. Sony Pictures offers you the opportunity to replace concern with solid financial planning to protect your loved ones.

Life insurance provides your beneficiary with a benefit in the event of your death.

Accidental Death and Dismemberment (AD&D) insurance provides an additional benefit if you suffer a serious injury in an accident, or in the event of your accidental death.

The Hospital Indemnity and Accident plans pay you cash if you're hospitalized, or injured and need care.

## LEAVES OF ABSENCE

Sony Pictures provides many types of leaves of absence that allow you to take time off when you need it.

Sony Pictures offers eligible employees 12 weeks of paid time off for qualifying leaves, to care for or bond with family members.

For information about all the types of leave Sony Pictures offers and the Short-Term Disability policy, please see the Leave of Absence section in the Employee Handbook. Contact Sony Pictures Leave Administration at **1-888-256-4094** or [www.matrixabsence.com](http://www.matrixabsence.com) to report a leave.

## BASIC LIFE AND AD&D INSURANCE

Sony Pictures provides eligible employees with basic life<sup>1</sup> and AD&D insurance of 1x annual base salary<sup>2</sup> at no cost to you. Coverage is provided by Securian Financial.

### IMPUTED INCOME

If you have company-provided employee life insurance coverage of more than \$50,000, the IRS requires that the fair-market value of the premium above \$50,000 be treated as taxable income.

The imputed income amount is shown on your paystub and on your year-end W-2 form. Talk to your tax advisor for more information.

<sup>1</sup> Executive life insurance provided by MetLife; different limits may apply.

<sup>2</sup> Up to a maximum of \$1 million.

## CHOOSING YOUR BENEFICIARIES

Choosing who will receive your survivor benefits for life insurance, AD&D, and 401(k) is an important decision.

You're required to name your beneficiaries when you enroll. After your first enrollment, you should periodically review your beneficiary elections to make sure their information is up to date. You may change beneficiaries at any time.

Everyone's situation is unique. Visit the life insurance decision support tool, Benefit Scout, in the Benefits Center website to get an estimate of the amount of life insurance you should have and the associated costs.

<sup>4</sup> Supplemental spouse/partner and child AD&D coverage is a percentage of the employee's supplemental AD&D amount.

## ACCIDENT AND HOSPITAL INDEMNITY PLANS

We offer two voluntary benefit plans, provided by Aetna: An accident plan and a hospital indemnity plan. Because the plans are “voluntary,” you pay 100% of the premiums with after-tax dollars. And because the premiums are deducted after-tax, any benefits the plans pay to you are tax-free.

You may enroll yourself and your covered dependents during open enrollment; you must keep the plan for the entire year unless you have a qualifying change in status. For more information, visit [www.myaetnasupplemental.com](http://www.myaetnasupplemental.com) or call **1-800-607-3366**.

### VOLUNTARY ACCIDENT PLAN

Accidents are just that — accidents. You can't plan for them. But, you can protect yourself financially as much as possible. This plan will pay you benefits if you're hurt in an accident and:

- Have to visit the emergency room or urgent care
- Require follow-up visits, physical therapy, etc.
- Are hospitalized (hospital-stay limit is 365 days)

**BONUS!** The plan also pays \$75 when you get preventive care and screenings.

#### ACCIDENT PLAN MONTHLY RATES

Tier	Rate
Employee	\$10.58
Employee + spouse	\$19.18
Employee + child	\$20.54
Family	\$28.31

### VOLUNTARY HOSPITAL PLAN

When you're in the hospital, you can't work, so wouldn't it be nice to get “paid” for your hospital stay? The plan pays benefits for admission and a daily benefit for a covered hospital stay when you have a planned or unplanned hospital stay for an illness, injury, surgery or having a baby. You can use the benefits to help pay out-of-pocket medical costs or personal expenses.

If you're hospitalized for rehabilitation and observation, mental health conditions including substance use disorders, and for many other reasons, this plan will pay you benefits, giving you extra cash when you need it most.

**BONUS!** The plan also pays \$75 when you get preventive care and screenings.

#### HOSPITAL INDEMNITY PLAN MONTHLY RATES

Employee	\$14.51
Employee + spouse	\$31.97
Employee + child	\$25.37
Family	\$42.21

**Example:** Tyler enrolled himself and his son, Jake, in the Accident Plan. Jake got hurt riding his bike and went to the emergency room. They took X-rays and diagnosed a broken leg. After Jake's leg healed, he had six physical therapy visits.

#### ACCIDENT PLAN PAYOUT

Emergency room	\$300
X-ray	\$100
Broken leg	\$1,200
Crutches	\$200
Physical therapy: 6 sessions x \$50	\$300
<b>Total benefit payment to Tyler</b>	<b>\$2,100</b>

**Example:** Jada is pregnant and due in early 2023. In March, she's admitted to the hospital and stays one night before delivering a healthy baby boy the next morning. After two nights in the hospital, she and her baby go home.

#### HOSPITAL INDEMNITY PLAN PAYOUT

Hospital admission	\$1,000
Hospital stay: \$100 per day x 2 days	\$200
Newborn benefit	\$100
<b>Total benefit payment to Jada</b>	<b>\$1,300</b>

Remember, the Voluntary Hospital and Accident Plans cover more than injuries or illnesses. You can also file a claim if you have eligible preventive care services.

<sup>1</sup> Eligible pay includes base salary, overtime, and bonus, and are eligible for company-matching contributions. In 2022, the IRS limits the amount of pay you can contribute to the plan to \$20,500 in pre-tax and/or Roth contributions. Combined employee pre-tax, Roth, and after-tax contributions under the plan may not be more than 50% of eligible compensation or the plan's annual deferral limit (\$47,275), whichever is lower. In addition, the employer matching contributions may not be more than the plan's annual limit (\$13,725). If you're age 50 or older, you can contribute \$6,500 in pre-tax and/or Roth catch-up contributions in addition to the \$47,275. These limits may change annually. If you reach any limits, your contributions to the plan will stop and excess contributions will be returned to you.

## SONY USA 401(K) PLAN

Everyone strives for a comfortable retirement. The Sony USA 401(k) Plan is the ideal way to achieve retirement dreams by investing money now so you can enjoy the benefits later. The plan offers several great features, including:

The opportunity to save a significant portion of your income — up to 50% of your eligible pay<sup>1</sup> pre-tax, after-tax and/or Roth dollars (combined), up to the annual IRS limits. You may make a carryover election, which allows you to make after-tax contributions after you reach the IRS pre-tax limit. You can also elect to automatically increase your contributions each year.

Free money — Sony Pictures will immediately match 100% of the first 3% of your eligible pay, then 50% of the next 3% you contribute. Pre-tax, after-tax, and Roth dollars are eligible for match; however, catch-up contributions are not.

The opportunity to make catch-up contributions. If you're 50 or older in 2023, you may make catch-up contributions of up to \$6,500. (This amount is based on 2022 limits; we anticipate that the IRS will publish revised limits at the end of the year.)

A range of investment options to choose from, including a series of target retirement date funds, core funds, and a self-directed brokerage account.

For information about the funds, go to [www.rps.troweprice.com](http://www.rps.troweprice.com) or call **1-877-SONY-SAVE (1-877-766-9728)**. If you don't select an investment option or are auto-enrolled, any contributions will be invested in the Sony Target Date Fund closest to your estimated retirement age (generally at age 65).

You can change your contribution percentage, automatic increases or investment elections at any time. You also may designate or update your beneficiary at any time. Please consult with your financial or tax advisor to plan the best elections for you and your family.

# LEGAL NOTICES

## SUMMARY OF BENEFITS AND COVERAGE

The health benefits available to you represent a significant component of your Sony Pictures Total Rewards package, in addition to your compensation, and provides important protection for you and your family in the case of illness or injury. Your Sony Pictures plan offers a series of health coverage options. Choosing a health coverage option is an important decision.

To help you make an informed choice, your plan makes available a Summary of Benefits and Coverage (SBC) to help you compare your options. The SBC is available on Sony Pictures Benefits Center at [BenefitsCenter.spe.sony.com](https://BenefitsCenter.spe.sony.com) under the Forms and Documents section and at [spe\\_benefits@spe.sony.com](mailto:spe_benefits@spe.sony.com). You can also request a paper copy, free of charge, by contacting a Sony Pictures Benefits Center Representative at **1-888-9-SONY-01**. If you have dependents in your household who are enrolled in the Sony Pictures plan, please share this information with them. Be aware that any SBC provided to you will be deemed to have been provided to your dependents unless the plan is advised of a different address.

### MEDICARE PART D PRESCRIPTION DRUG COVERAGE

#### Important Notice for Medicare-Eligible Employees and Covered Dependents

Sony Pictures Entertainment (Sony Pictures) is required to provide the notice that follows to all Medicare-eligible plan participants. The purpose of the notice is to provide you with a statement of assurance that while you are enrolled in Sony EPO, Sony PPO, Sony Consumer Choice or Kaiser HMO, the prescription drug coverage you have under any of these Sony Pictures medical plans is "Creditable Coverage." This means that, on average, your Sony Pictures coverage is at least as good as the standard Medicare prescription drug coverage. (For more information on Creditable Coverage, you can refer to the "Creditable Coverage" section of the notice below.)

Medicare prescription drug coverage is

optional, and you may find that you have all the coverage you need with Sony Pictures. If you decide in a subsequent year that you want to enroll in a Medicare prescription drug plan, this notice will serve as confirmation to Medicare that you had Creditable Coverage in the interim. As a result, you will not have to pay a late penalty on your Medicare prescription drug plan monthly premium if you decide to enroll during a subsequent annual enrollment window. Note, however, that if you opt out (choose the "No Coverage" option) with Sony Pictures, you do not have Creditable Coverage and may be subject to a future premium penalty if you subsequently enroll in a Medicare prescription drug plan. The notice that follows explains the effect of having Creditable and non-Creditable Coverage.

## IMPORTANT NOTICE FROM SONY PICTURES ABOUT YOUR PRESCRIPTION DRUG COVERAGE AND MEDICARE

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Sony Pictures and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare prescription drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important facts you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare.

You can get this coverage if you join a Medicare prescription drug plan or join a Medicare Advantage plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some

plans may also offer more coverage for a higher monthly premium.

2. Sony Pictures determined that the prescription drug coverage offered by Sony Pictures is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is considered Creditable Coverage.

Because your existing coverage is, on average, at least as good as standard Medicare prescription drug coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare prescription drug plan.

## WHEN CAN YOU JOIN A MEDICARE DRUG PLAN?

You can join a Medicare prescription drug plan when you first become eligible for Medicare and each year from October 15 through December 7. However, if you lose creditable prescription drug coverage through no fault of your own, you will be eligible for a two-month Special Enrollment Period (SEP) to join a Medicare drug plan.

## WHAT HAPPENS TO YOUR CURRENT COVERAGE IF YOU DECIDE TO JOIN A MEDICARE DRUG PLAN?

If you decide to join a Medicare prescription drug plan, your current Sony Pictures coverage is not affected.

If you decide to join a Medicare prescription drug plan and drop your Sony Pictures prescription drug and medical coverage, be aware that you and your dependents may not be able to get this coverage back. Please remember that your Sony Pictures prescription drug coverage is bundled with your medical plan option. Therefore, there is no separate employee contribution for prescription drug coverage. If you want to keep your Sony Pictures coverage and you want to avoid duplicate premiums, you should NOT enroll in Medicare prescription drug coverage for 2023.

Please contact us for more information about what happens to your coverage if you enroll in a Medicare prescription drug plan.

## WHEN WILL YOU PAY A HIGHER PREMIUM (PENALTY) TO JOIN A MEDICARE DRUG PLAN?

You should know that if you drop or lose your coverage with Sony Pictures and don't join a Medicare prescription drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare prescription drug plan later. If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go 19 months without Creditable Coverage, your premium may consistently be at least 19% higher than the base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

If you have questions, call a Sony Pictures Benefits Center representative toll-free at **1-833-9-SONY-01**.

NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare prescription drug plan, and if this coverage through Sony Pictures changes. You also may request a copy of this notice at any time from a Sony Pictures Benefits Center representative toll-free at **1-833-9-SONY-01**.

## NOTIFICATION OF YOUR RIGHTS TO PLAN MODIFICATION, TERMINATION, AND INTERPRETATION

Sony Pictures reserves the right in its sole and absolute discretion to amend, modify, or terminate any or all employee benefit plans at any time and for any reason. This means that Sony Pictures may decide to change the design of the prescription drug benefit so that it no longer constitutes Creditable Coverage. If this happens, we will notify you of the change and of your options at that time.

In addition, Sony Pictures reserves the sole and absolute discretionary right to interpret and apply the terms of the medical plan and to render final and binding decisions about the plan and its coverage. In the event of a conflict between this notice and the terms of the plan, the terms of the plan will govern in all cases.

Consolidated Omnibus Budget Reconciliation Act of 1985 ["COBRA"] – requiring that

most employers sponsoring group health plans offer employees and their families the opportunity for a temporary extension of health coverage (called "Continuation Coverage") at group rates in certain instances where coverage under the plan would otherwise end (called "qualifying events"). For additional information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the plan administrator.

## SPECIAL ENROLLMENT PERIODS

If you decline enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this Plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage).

However, you must request enrollment within 31 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 31 days after the marriage, birth, adoption, or placement for adoption.

If you decline enrollment for yourself or for an eligible dependent (including your spouse) while Medicaid coverage or coverage under a state children's health insurance program is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage. However, you must request enrollment within 60 days after you or your dependents' coverage ends under Medicaid or a state health insurance program.

If you or your dependents (including your spouse) become eligible for a state premium assistance subsidy from Medicaid or through a state children's health insurance program with respect to coverage under this plan, you may be able to enroll yourself and your dependents in this plan. However, you must request enrollment within 60 days after your or your dependents' determination of eligibility for such assistance.

To request special enrollment or obtain more information, contact a Sony Pictures Benefits Center representative toll-free at

**1-833-9-SONY-01.** Individuals who have questions about HIPAA may contact The Centers for Medicare & Medicaid Services (CMS) toll-free at **1-877-267-2323**. ## HIPAA PRIVACY STATEMENT

Sony Pictures maintains the privacy and security of your personal health information in compliance with Health Insurance Portability and Accountability Act (HIPAA). All policies regarding the HIPAA Privacy and Security regulations may be found in Sony Pictures' HIPAA Privacy Notice which describes our legal duties and privacy practices relating to how medical information about you may be used and/or distributed. You can get a copy of the Privacy Notice, for no charge, on Sony Pictures Benefits Center or on **www.Benefits.SonyPictures.com**. **You can request a paper copy at no charge by calling 1-310-244-7062.**

## PATIENT PROTECTION NOTICE

The Kaiser Permanente HMO generally requires the designation of a primary care provider. You have the right to designate any primary care provider who participates in our network and who is available to accept you or your family members. Until you make this designation, Kaiser Permanente will designate one for you. For information on how to select a primary care provider, and for a list of the participating primary care providers, contact Kaiser at **1-800-464-4000**.

For children, you may designate a pediatrician as the primary care provider. You do not need prior authorization from Kaiser or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating

health care professionals who specialize in obstetrics or gynecology, contact Kaiser at **1-800-464-4000**.

## WOMEN'S HEALTH AND CANCER RIGHTS ACT OF 1998 ("WHCRA")

Your health care plan, as required by the Women's Health and Cancer Rights Act of 1998, provides benefits for mastectomy-related services, including all stages of reconstruction and surgery to achieve symmetry between breasts, prostheses, and complications resulting from a mastectomy (including lymphedema). These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under the plan. Call your health care provider at **1-888-385-1053**, Aetna or Kaiser at **1-800-464-4000**, for more information.

## NEWBORNS' AND MOTHERS' HEALTH PROTECTION ACT OF 1996

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours for any vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than the 48 hours (or 96 hours as applicable). In any case, plans and issuers may not under Federal law require that the provider obtain authorization from the plan or issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

## SONY PICTURES GROUP BENEFIT PLAN ANNUAL SUMMARY REPORT

The 2021 Summary Annual Reports (SARs) summarize the financial information for Sony Pictures' Benefits Plans as required by the Employee Retirement Income Security Act (ERISA) of 1974, as amended. To view the reports, go to **mySPE>Resources>Benefits**. If you are unable to access the SAR document, please contact People & Organization (P&O) at **1-310-244-4748**. ## PREMIUM ASSISTANCE UNDER MEDICAID AND THE CHILDREN'S HEALTH INSURANCE PROGRAM (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit **www.healthcare.gov**.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available. If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or **www.insurekidsnow.gov** to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at **www.askebsa.dol.gov** or call **1-866-444-EBSA (3272)**.

To see if any other states have added a premium assistance program since July 31, 2022, or for more information on special enrollment rights, contact either:
