

PREMIER FERTILITY SPECIALIST NETWORK

Progyny's comprehensive fertility benefit design and high level of patient support has attracted a premier network of leading fertility specialists across the US. With the largest fertility provider network in the nation, including nationally recognized key opinion leaders and clinics that don't typically participate in national carrier networks, you have access to the highest standard in fertility care.

Highest Level of Care

By continually reviewing cutting-edge science and research, **our esteemed Medical Advisory Board** ensures your benefit remains inclusive of the latest techniques and technologies. That means your physician will always adhere to the best clinical practices and pursue the most effective course of treatment for you.

Superior Clinical Outcomes

Every one of our fertility specialists use the latest advancements in science and technology to increase the chances of a healthy and successful pregnancy. And because the Progyny benefit design is all-inclusive, your doctor is able to work with you to create the customized treatment plan that is best for you based on clinical criteria, not costs. This unique combination enables our network to deliver the best clinical outcomes in the industry, including healthier pregnancies, lower miscarriage rates, and lower twinning rates, compared to national averages.
