

Are you ready to hit **PLAY** on your career?

EdAssist[™]
by Bright Horizons

Want to add your skills and grow in your career?

You can get there quickly and affordably
with a little help from your employer and EdAssist[®].

- **Take advantage of financial assistance** to help pay for the cost of your education.
- **Save big on tuition** with low-cost or tuition-free education programs with select schools.
- **Get exclusive tuition discounts** at 230+ accredited schools within EdAssist's network.
- **Sign up for a free session with an expert** to learn more about what your benefit covers, how to set yourself up for success when financing your education, or assistance selecting the best school provider for your career goal. Coaches can help you start your education journey.

Explore your learning opportunities now!
