

It's open enrollment season

## Access a health program built just for you

Access Omada® as a covered benefit of your Sony Pictures Entertainment health plan. Sign up during this open enrollment period and get a welcome kit, one-on-one health coaching and diabetes, blood pressure or weight management support.

The best part: the program—up to a \$1,700 value—is **no cost to you** if you're clinically eligible to enroll.

### With Omada, you'll get

- ✔ One-on-one support from a health coach, and a specialist for diabetes and blood pressure program members
- ✔ OmadaSpark AI—get answers to your food related questions and ideas for healthier meals and snacks
- ✔ Easy food tracking—just snap a picture, scan a barcode, use your voice or type in your meals

Omada for Prevention & Weight Health, Diabetes or Hypertension is available at no cost to you when covered by Sony Pictures Entertainment health plan.

\$0  
COST TO YOU

### Get a welcome kit at no extra cost once you enroll\*

It includes easy-to-use smart devices, based on your needs, shipped to your door, yours to keep.

- Two continuous glucose monitor (CGM)sensors†
- Blood glucose meter (BGM) with an ongoing supply of test strips and lancets, as needed
- Blood pressure monitor
- Smart scale

\*Certain features and smart devices are only available for certain programs and if you meet program and clinical eligibility requirements.

†The no cost CGM excludes Medicare, Medicaid, and other government payers. The Abbott FreeStyle Libre 14 day system is available to eligible participants with a valid prescription and compatible smartphone. Setup is required for continuous glucose monitoring. The circular shape of the sensor housing, FreeStyle, Libre, and related brand marks are marks of Abbott. FreeStyle Libre 14 day system: Failure to use FreeStyle Libre 14 day system as instructed in labeling may result in missing a severe low or high glucose event and/or making a treatment decision, resulting in injury. If readings do not match symptoms or expectations, use a finger stick value from a blood glucose meter for treatment decisions. Seek medical attention when appropriate or contact Abbott at 855-632-8658 or FreeStyleLibre.us for safety info.
